

Maynard Webb Quotes

*Jobs, Technology, People, Opportunity, Meaningful, Entrepreneur, Years, Want,
Hard Work, Men, Long, Running, Numbers, Inspired, Promise, Impact, Destiny,
Night, Thinking, Giving Up*

There are lots of jobs in search of talent. And there's lots of talent in search of meaningful work.

~Maynard Webb

With sports, there's no entitlement on the field. It's about numbers. It's about results. It's about outcomes.

~Maynard Webb

I love using the latest technologies to make life more efficient, but I don't want to advocate that technology replaces the need to get together and enjoy human connections with people.

~Maynard Webb

Flexibility has become a modern day value that everyone wants. But flexibility comes with a cost.

~Maynard Webb

If you are willing to dream and then work hard and execute well, you can achieve more than you ever imagined.

~Maynard Webb

Jobs will come back when the economy recovers, but they will never be the same.

~Maynard Webb

Man, we've got something special. Don't screw it up.

~Maynard Webb

The best way to have your people be happy and satisfied is to earn the right to have them come back to work for you the next day, knowing that there are tons of other places.

~Maynard Webb

It's fantastic that the world is becoming more open to different ways of

working, but we still have a long way to go in terms of changing perceptions.

~Maynard Webb

As a technologist, I'm obsessed with searching for the next killer app.

~Maynard Webb

Independent contractors - a rapidly growing piece of the workforce - can often achieve the best quality of life. They can choose from where they work, whom they work for and for how long.

~Maynard Webb

I used to pride myself on being the first in the office in the morning and one of the last to leave at night. Now, that's so dated: It's not about effort, it's about outcomes.

~Maynard Webb

Every day I am inspired by what's possible.

~Maynard Webb

I came out of retirement to run a start-up, Historically, I seldom used all of my vacation time, and the last sick day I took was in 1992. I am a sick puppy.

~Maynard Webb

Technology, and applications of this technology, will continue to improve and evolve, providing unprecedented, global access to information, individuals, training, and opportunities.

~Maynard Webb
