“Everyone wants to believe that there's something else - something great - waiting for them on the other side. Paradise. Valhalla. Heaven. Their next - hopefully less horrible - life.

~Meg Cabot

Life's not easy for unicorns, you know. We're a dying breed.

~Meg Cabot

Check yourself before you wreck yourself.

~Meg Cabot

Courage is not the absence of fear but rather the judgement that something is more important than fear; The brave may not live forever but the cautious do not live at all.

~Meg Cabot

The brave may not live forever, but the cautious do not live at all.

~Meg Cabot

What's a mediator you ask? Oh, a person who acts as a liason between the living and the dead. Hey, wait a minute...what're you doing with that strait jacket?-Suze Simon's imagination

~Meg Cabot

You know your Lamborghini is on fire, right?

~Meg Cabot

Someone Hot is sometimes can't be the person they appear to be-except for their hotness... that cannot be denied.

~Meg Cabot

We kissed all the way through the fireworks display. We didn't even notice that there was a fireworks display! I guess because we'd been making fireworks of our own.

~Meg Cabot

Sometimes what you want is right in front of you. All you have to do is open your eyes and see it.

~Meg Cabot

There is a difference between listening and hearing, just as there is a difference between seeing and knowing.

~Meg Cabot

Bite me, Harry Potter.

~Meg Cabot

To achieve self actualization, do good things for other people that you would want to be done onto yourself

~Meg Cabot

Write the kind of story you would like to read. People will give you all sorts of advice about writing, but if you are not writing something you like, no one else will like it either.

~Meg Cabot

It is a documented fact. I read it in People magazine.

~Meg Cabot

Sometimes we need to take big risks if we want to find out who we are, and what we were put on this planet for.

~Meg Cabot

When you feel like an outsider - for whatever reason - you spend a lot of time alone.

~Meg Cabot

The peace sign is with two fingers not one.

~Meg Cabot

Because when you love something, you want to do it all the time, even if no one is paying you for it. At least that's how I felt about drawing.

~Meg Cabot

My heart is broken. It really is. All the signs are there. I can't sleep- not even burgers. Every time the phone rings, my pulse leaps... But it's never for me, it's never him.

~Meg Cabot

I was too lazy to start a whole new story, so I just stuck a princess into the story I was working on... and The Princess Diaries was born!

~Meg Cabot

My original inspiration was my mom: a few years after the death of my dad, she started dating one my teachers!

~Meg Cabot

Always be true to your friends, just as you are to yourself.

~Meg Cabot

If you really love someone, even if you can't see where you'll be or what you'll be doing twenty years from now, you'd still want that person to be there.

~Meg Cabot

One of the many advantages of having a boyfriend who is half French is that his culinary repertoire extends beyond mac and cheese. Plus, there's the kissing.

~Meg Cabot

I've come to the conclusion that, aside from Nazis, the Taliban, and possibly the honey badger, there is no one on the planet more merciless than a teenage girl once she's decided she dislikes you.

~Meg Cabot

In a way, I was incredibly proud of her (not that I had any intention of letting it show while I was beating the crap out of her).

~Meg Cabot

Unrequited love is all right in books and things, but in real life, it completely sucks

~Meg Cabot

And eternity is a long time. So if you have to spend it with someone I could see wanting to spend it with someone impossible...but interesting.

~Meg Cabot

Wait. Why am I thinking about Krispy Kremes? We're supposed to be exercising.

~Meg Cabot

There's nothing secret about it. Everyone knows that I am waiting for my real parents, the king and queen, to come restore me to my rightful throne.
