Quotes

Jobs, Thinking, Business, California, Ebay, Country, Technology, Names, Attitude, Organization, People, Government, Running, Careers, Leader, Communication, Growth, Might, Sometimes, Discipline

We have always said that advertising is just the icing on the cake. It is not the cake.

~Meg Whitman

Do what you love and success will follow. Passion is the fuel behind a successful career.

~Meg Whitman

Problems are good, as long as you solve them quickly.

~Meg Whitman

To be effective, leaders must have the qualities and attitudes essential to work in a group setting.

~Meg Whitman

When people use your brand name as a verb, that is remarkable.

~Meg Whitman

'Perfect' is the enemy of 'good enough'.

~Meg Whitman

Communications is at the heart of e-commerce and community.

~Meg Whitman

If you have fun at your job, I think you're going to be more effective.

~Meg Whitman

A monkey could drive this train.

~Meg Whitman

We can't impede progress in the name of environmental action that yields little for the environment and even less for our people.. and we should look at the environment as an economic opportunity.

~Meg Whitman

Guess what? The world changes. eBay has defined e-commerce.

~Meg Whitman

I'm not a career politician. I spent 30 years in business. I can tell you that people in California have had it with career politicians: they are done.

~Meg Whitman

I think maybe it is about time for a governor who has created jobs, who's managed a budget, who's led and inspired large organizations, who listens well, and who can drive an agenda

~Meg Whitman

What's sort of interesting about the whole public relations disaster that is the Net, in some ways, is that the fundamentals are really good.

~Meg Whitman

It is very clear that voice communications is moving on to the Internet. In the end, the price that anyone can provide for voice transmission on the Net will trend toward zero.

~Meg Whitman

I want to work with the teachers' union. But as I said out there, we have to put the kids first and we are letting down a generation of California children. It's not acceptable.

~Meg Whitman

I want to spend 100 percent of my time focused on what I think I can make the biggest difference on as the governor of California.

~Meg Whitman

For me, the international expansion of eBay was the best idea. We are now in 35 countries, and have a huge global network. The second best one was the acquisition of PayPal - the wallet on eBay.

~Meg Whitman

Sometimes it's a little bit like being a politician. We have work to do in understanding our users sentiments.

~Meg Whitman

And I want to be able to - you know, make Republicans and Democrats famous for keeping jobs in California

~Meg Whitman

When a small business grows like eBay did, it has a multiplier effect. It creates other small businesses that supply it with intellectual capital, goods and services.

~Meg Whitman

Regulation is strangling businesses of all sizes in California, and we've got to streamline regulation so it's easy, not hard. to do business.

~Meg Whitman

Silicon Valley is 130 miles from Sacramento, but it might as well be a million miles away given how it operates.

~Meg Whitman

Well, California used to be in the dream-making business, and unfortunately what's happened I think we're now in the dream-breaking business.

~Meg Whitman

Most of us can't even begin to imagine.
