

Megan McCafferty

Quotes

*Thinking, People, Believe, School, World, Girl, Years, Two, Love You, Hurt,
Past, Matter, Heart, Way, Want, Night, Together, Important, Used, Lying*

Most people talk when they have nothing to say. I'm not talking because I have too much to say. None of which I'd want you to hear.

~Megan McCafferty

I never understood the point of being sad when I could choose to be happy

~Megan McCafferty

furious flutter awakened hummingbird heart hello hello love

~Megan McCafferty

I know. It's shocking to think that the government would try to stick its nose in our ladyparts.

~Megan McCafferty

Where's my syllabus to guide me through life?

~Megan McCafferty

Faith is accepting what makes no sense, what we cannot prove, but know down deep in our souls is real.

~Megan McCafferty

We're all people", he said simply. "It doesn't matter if you're two, thirty-two, or ninety-two. Everyone wants to be treated with respect. Everyone wants to feel like they matter in this world.

~Megan McCafferty

I just don't see the point in beating myself up. I think it's more productive to concentrate on being a better person right now than punishing myself for who I was in the past.

~Megan McCafferty

Zen cuts straight through the Quidditch match in progress and almost gets taken down by a Beater hurling a Nerf quaffle right at his

machopartes.

~Megan McCafferty

The higher my GPA gets the more I realize high school is useless

~Megan McCafferty

You can only be in a bad mood for so long before you have to face up to the fact that it isn't a bad mood at all; it's just your sucky personality.

~Megan McCafferty

chromosomal dance oh, heavenly happenstance rare creation, you
-Marcus (Poetry Spam #22)

~Megan McCafferty

Gone for a while Hoping, always, to return If you will let me

~Megan McCafferty

My thoughts create my world -Marcus Flutie

~Megan McCafferty

I'm not in love. It's a crush which is why it hurts. Crushes crush.
Otherwise they'd be called awesomes. "I have an awesome on him.

~Megan McCafferty

It's human nay-cha...For me to sperminay-cha.

~Megan McCafferty

Humans find meaningfulness where none exists because we want to create a sense of order in this chaotic universe. It's called apophenia. (And it's also the reason people believe in God.)

~Megan McCafferty

You, yes, you, linger inside my heart The same you who stopped us before we could start.

~Megan McCafferty

I'VE LEARNED THAT YOU CAN'T CONTROL WHAT OTHER PEOPLE ARE GOING TO THINK ABOUT YOU. THE BEST YOU CAN DO IN LIFE IS NOT PISS YOURSELF OFF.

~Megan McCafferty

I feel better when I am not around people. When I am alone, alone, alone.

~Megan McCafferty

I don't know anything about anything. The only difference between then and now is this: I may know more than I used to but my wisdom pales in comparison to that which I have yet to learn

~Megan McCafferty

When I'm at school in the city, I don't feel particularly worldly or wise. It's only when I come back home that I remember exactly why I left.

~Megan McCafferty

You have stopped the arrow of time... There's no meaning to this rhyme... Because my song will never mean as much as the one.. He once sang.. For you, yes, you.

~Megan McCafferty

It just makes me wonder what subject you blame for talking to me every night.' I'm still settling on an answer for that one. Probably Chemistry. Jesus Christ. I can't believe I just wrote that.

~Megan McCafferty

Excuse our appearances. We are taking apart yesterday, to make way for tomorrow

~Megan McCafferty

Every day, I live a lie But not the crocodile kind.

~Megan McCafferty

The tales we tell ourselves about ourselves makes us who we are.

~Megan McCafferty

It's just Jessica and Marcus, oxymoronically alone together.

~Megan McCafferty

I hate the very human inclination towards insensitivity

~Megan McCafferty

She mailed me a Merry Christmas-I'm-Breaking-Up-with-You card. I'll read it to you," he said. He cleared his throat. "Dear Marcus. Merry Christmas. I'm breaking up with you. Mia.

~Megan McCafferty

When you say too much about anything important, it always ends up sounding more trivial than it is. Words trash it.

~Megan McCafferty

The minute our correspondence becomes obligatory, there's no point in keeping touch at all.

~Megan McCafferty

Words can be used as a bomb or balm.

~Megan McCafferty

I'm in crisis. I'm about to bump with a five-foot chino-chicano.

~Megan McCafferty

See, my idea of cute comes with an IQ requirement. It's geeky cute. It's Rivers Cuomo, not Justin Timberlake. It's Gideon Yago, not Brian Mcfayden. Jimmy Fallon, yes please! Brad Pitt, no thank you.

~Megan McCafferty

That's what all love comes down to, doesn't it? We help others only as much as they let us.

~Megan McCafferty

A relationship ends because you've outgrown it. It can begin again because you, as two, can fill the new shape.

~Megan McCafferty

The road less traveled will not be smooth

~Megan McCafferty

Then again maybe there's something that I've been doing in the privacy of my own bedroom my whole life that I think is perfectly normal but is actually illegal in thirty-two states.

~Megan McCafferty

Girls will get together just to get together. Guys need an activity as an excuse. Otherwise it's too homo for them to handle.

~Megan McCafferty

There's only one racing strategy that matters. It's the one I run by: Get in the lead and don't let anyone pass you.

~Megan McCafferty

Bad things can happen to anyone at any time, whether you follow the rules or not.

~Megan McCafferty

So much of courtship is the unspoken.

~Megan McCafferty

Love," he said, "has the longest arms.

~Megan McCafferty

I'm not sure I'll ever be finished. No matter how much I write, there will always be something I should've said.

~Megan McCafferty

I can let my true self shine in front of God.

~Megan McCafferty

Why do you even put up with me?' 'I'm not putting up with you,' he said, softly. 'I'm loving you.'

~Megan McCafferty

You can only really really hurt the ones that you really really love.

~Megan McCafferty

Ever notice how people wait until they're not going to see you anymore to say something nice to you?

~Megan McCafferty

It's so much easier to convince yourself you're madly in love with someone when you know nothing about him.

~Megan McCafferty

Fear is the greatest form of oppression. The best way to rise up in protest is to live your life to its fullest!

~Megan McCafferty

Don't stop doing what you love. Don't let your future be ruined by a bunch of loony sand monkeys.

~Megan McCafferty

And so I'll let you go, and let it be. Whatever

~Megan McCafferty

We are perfect in our imperfection.

~Megan McCafferty

I love you. And I want you, too. But. However. Unfortunately...

~Megan McCafferty

The great thing about fiction is that you can start off by telling the truth, then start making stuff up like crazy whenever you feel like it.

~Megan McCafferty

You don't have to agree with me, but I think the heart of who we are stays pretty much the same," Hope said, "What changes is how those core traits manifest themselves over time.

~Megan McCafferty

You gotta take chances in this life or you're already dead.

~Megan McCafferty

there's too much tension in the world! what hope is there in the middle east if you and i can't make peace.

~Megan McCafferty

I love you, too." But this hopeful farewell does little to bring peace of mind, even now. Loving you has never been the problem. What's troubling me is how loving you may never be enough.

~Megan McCafferty

Then a lightning bolt shot straight through my skivvies. Sha-ZAM!

~Megan McCafferty

Love may have the longest arms, but it can still fall short of an embrace.

~Megan McCafferty

I don't know if she's making the right choice, but it's not my choice to make. I promise to support her, whatever she decides. Because that's what sisters do.

~Megan McCafferty

Even with the best intentions, growing apart might just be an inevitable part of growing up.

~Megan McCafferty

I wish our love was right now.

~Megan McCafferty

As much as I don't care about those things, I think it's human nature to not want to feel totally insignificant.

~Megan McCafferty

He always loved her because of, not in spite of, her flaws.

~Megan McCafferty
