There may well be a few extremists out there somewhere calling for a militant, women-only utopia, but why should this be the definition of 'feminist' when it's already the definition of 'silly'?

~Meghan Daum

I've always been interested in the notion of what is authentic and how we define that and why our culture imposes certain emotions and emotional constraints onto experiences.

~Meghan Daum

We've never been in a time where mothers - parenthood, but particularly motherhood - is so fetishized.

~Meghan Daum

Being in the entertainment industry in L.A. is the equivalent to being in the publishing industry in New York. You don't ever have to hangout with anybody else.

~Meghan Daum

And why the hell should you do a really hard, important job that you don't want to do? That has extremely high stakes? That just blows my mind.

~Meghan Daum

What amazes me is when I see people in their twenties who have families or live a life that seems of a much older person. But that's such a demographic, a socio-economic, cultural, class thing.
