People*

I'd like to work with David Lynch again.

~Melissa George

I think Australians do well here because we feel a bit naughty, like we're in America and if they only knew how much fun we were having, we'd all get thrown out, you know.

~Melissa George

I love being in London because it means I am breathing the same air as the Queen.

~Melissa George

Anything dark and emotionally complex, I'll do it. You're acting, but when you take an acting role, you have to live it. You're living the life of that person.

~Melissa George

I don't know, I think people who meet me just get pretty much what I am.

~Melissa George

I've discovered the best skincare, MV Organic Skincare. I love their Energising 9-Oil Cleanser, Rose Hydrating Mist and Rose Soothing & Protective Moisturiser

~Melissa George

You've got to pick your roles really carefully. It's a lot more fun to play a layered woman, than just someone where what you see is what you get, by far.

~Melissa George

Jennifer Garner and I are very close.

~Melissa George

I like to play different ranges. When you get really deeply involved in the emotional parts, I enjoy that just as much as the fun and laughter.

~Melissa George

I'm very focused when I'm making a movie, but I'm also a fantastic multitasker.

~Melissa George

Sometimes I take a movie selfishly because it's a female lead.

~Melissa George

My background is Scottish.

~Melissa George

The great thing about film is you start and finish. It's a journey that lasts so long, TV lasts a long time.

~Melissa George

Everytime I get offered theatre I get offered a film role too.
