Everyone is given one gift, a reason for being, and it's our obligation to do something with it.

~Melissa Rosenberg

Don't give up. You're going to get kicked in the teeth. A lot. Learn to take a hit, then pick yourself up off the floor. Resilience is the true key to success.

~Melissa Rosenberg

Because I work in television, I always knew that I loved working with writers. It's very collaborative. You're always in a room full of writers.

~Melissa Rosenberg

I got so lucky on my 'Red Widow' cast. It was just the universe looking out for me that I got those actors. It's a big ensemble cast, a very international cast. I don't know how that happened.

~Melissa Rosenberg

Trish "Patsy" Walker is just one of my favorite characters and she was a big comic character in the '40s.

~Melissa Rosenberg

With any sci-fi fantasy storytelling, you must have rules be very clear, otherwise you lose people, like 'OK, they can fly; now they can't fly.'

~Melissa Rosenberg

The number of vacations me and my husband have canceled... if you really want a job, book a non-refundable vacation. But obviously we're blessed too.

~Melissa Rosenberg

I love that as a theme for women: Stop standing by! You've got to make stuff happen! You've got to create your own world because if you let other people do it, they're going to just screw you.

~Melissa Rosenberg

Women tend to be categorized as Madonnas or whores.

~Melissa Rosenberg

With a film, you have to pare down and take stuff out and squish it all down into a 110 page script.

~Melissa Rosenberg

Directing doesn't appeal to me. I'm much more in the world of ideas.

~Melissa Rosenberg

The only kind of film I want to write is a story where I can keep on seeing the stories play out. I'm a huge television fan, and I'm a huge continuing storyline fan.

~Melissa Rosenberg

That's how I operate best. I just ignore feelings and jump right into the next thing.

~Melissa Rosenberg

Women, in general, are very passionate fans, and that's what you love about them.

~Melissa Rosenberg

TV is very much my first love. I love this world. It's where writers have the most creative control, and I just love that.

~Melissa Rosenberg

Jessica Jones is the first female superhero Marvel's ever introduced as a lead.
