Changing my name was meant to inspire and bring youth together all around the world.

~Metta World Peace

I definitely want to thank my doctor, Dr. Sandy, um, my psychiatrist, she really helped me relax a lot, thank you so much.

~Metta World Peace

I'm not a player, I'm an alien...My focus is on winning championships. I don't focus on anything else. Aliens only want to win championships.

~Metta World Peace

I'm one of the best defenders to ever play basketball, so I'm still the first option on defense.

~Metta World Peace

The Earth is moving right now.

~Metta World Peace

I'm a little obsessed with being competitive.

~Metta World Peace

You know, you've got fans and 99.9 percent of them are great-and .1 percent are jerks.

~Metta World Peace

There's a lot of negativity in the world. I'm trying to be positive.

~Metta World Peace

Some things you do-or you're about to do-you can just be like, 'Hey, don't do that because it means trouble.' So I've got to back off.

~Metta World Peace

Always have fun but stay hungry. Find that balance.

~Metta World Peace

Basketball was always something I felt I could dominate, something I could control.

~Metta World Peace

Until my legs break off or I get paralyzed, I can play this way. It helps me be me.

~Metta World Peace

For years now, the Lakers have expressed interest in having me play for them, but we could never get the stars to align. I'm finally a Laker...
