Be true to yourself and as long as you can look back and be happy with what you've done stay that way.

~Mic Geronimo

I'm just the type of person that realizes that someone is always going to have something to say so I could care less about it.

~Mic Geronimo

Be mindful of everything going on around you and always be on point but don't be so on point that you lose that ability to be what it was that got you out there.

~Mic Geronimo

Life ain't complicated unless you complicate it.

~Mic Geronimo

Maybe my records might make the next Ja Rule or Jay-Z want to rap.

~Mic Geronimo

God works funny so it might have just been meant for me to be an artist that doesn't sell two million records. Maybe my records might change somebody's life rather than sell thru the roof.

~Mic Geronimo

I'm at a point where I let my mind go with flow of the music I'm making and it's not interrupted by me trying to please everybody.

~Mic Geronimo

I'm human so I'd be lying if I said that it's not times where you sit back like damn all these niggas is poppin what's up?

~Mic Geronimo

When I do things with people it's not with the hopes of them coming back because that would be a selfish reason for me to do anything.

~Mic Geronimo

There are other jobs I do besides rap. I was considering going back to school so there have been a few things on my plate that I thought about doing during my time off.

~Mic Geronimo

Things happen and you live and you learn.

~Mic Geronimo

I hope everyone continues to ride with me the way they have done. I could never repay you because each and every one of you changed my life.

~Mic Geronimo

Rap is purging itself from the things it didn't need and it's allowing the younger dudes to come up. With that being said you're always going to need people from that golden era.

~Mic Geronimo

Hip hop is kinda funny because the further you get into it the more at risk you are.

~Mic Geronimo

I don't regret anything that I ever did. You just look back at things and you either learn from them or get what you can from them but I wouldn't change what I did.

~Mic Geronimo

You're always going to need those folks that introduce certain things to the next generation and I fit in that sense.

~Mic Geronimo

When I did The Natural that album was done from the perspective of a

kid from Queens that was 19-20 years old who doesn't know that much about the industry.

~Mic Geronimo

Everybody plays their part in this world and not all parts are the same. So I look at it like whatever I was put here to do that's what the outcome is.

~Mic Geronimo

I could look in everyone's faces and see them reflecting on how much time has passed and all the things we went through.

~Mic Geronimo

Hip Hop has its ups and downs but I'm gonna do my best to not necessarily bring that back but just remind people what they are forgetting about.

~Mic Geronimo

I was djing before I was rapping. I was calling myself Mike Geronimo and spelling it like Mike but he was just like spell it M-i-c. I was like that's ill cuz it stands out.

~Mic Geronimo

I went to acting school for like a year and ended up doing voiceovers and stuff. I could have done a lot more with it but at the time I really wasn't taking it seriously.

~Mic Geronimo

I could cover the gamut. It's cool though you go in for an hour, read the script, leave and you got a check.

~Mic Geronimo

I don't see everybody as much as I used to because as individuals everybody is busy but none of the relationships have changed.
