I learned construction and carpentry from my father at a young age, so I felt very comfortable and I felt very satisfied when I worked in that field.

~Michael Cudlitz

Dont listen to anybody. Nobody knows the magic bullet. If they did, theyd sell it and make a fortune. Follow your gut. Follow your instincts. Every once in a while, take a chance.

~Michael Cudlitz

My favorite part about going to the gym used to be leaving.

~Michael Cudlitz

The truth just happens - lies take time to make.

~Michael Cudlitz

Everybody works in a different way, and I've worked with actors that have no training whatsoever who are phenomenal.

~Michael Cudlitz

I much prefer the company of the crew, the sort of 'blue-collar working person.' I much more have that sensibility than what the public perceives as what a typical actor would have.

~Michael Cudlitz

As an actor, you try to put a little bit of yourself in everything you do.

~Michael Cudlitz

Most people don't like challenges at work. Actors love challenges at work.

~Michael Cudlitz

The fact that I am able to live a life and act and to do all of those things and support myself and my family is a gift.

~Michael Cudlitz

You've got to get your mind connected to the workout. Pay attention to what your body's doing. It's about connecting mind and the body. Visualize the muscles moving.

~Michael Cudlitz

Sometimes you walk out of an audition and you kind of know you nailed it and you're probably going to book it, but you very rarely are told in the room by the people who are hiring you.

~Michael Cudlitz

I just had a really good time when I did my voice work for Call of Duty. Ive had nothing but great interaction with Activision.

~Michael Cudlitz

Comedy is important! When youre having a stressful day, and you come home, you want to watch something that makes you laugh.

~Michael Cudlitz

If youd asked me after Band of Brothers what thing I wanted to do next, I certainly never would have imagined Southland.

~Michael Cudlitz

If you disarm someone's hands - they cannot kill you!

~Michael Cudlitz

You've gotta take care of the body you've got. You've got to be fit. You've got to be active. You've got to be healthy. We don't need to be pictures in a magazine.
