Quotes

*People, Business, Practice, Decision, Ifs, Vision, Entrepreneur, Ordinary,
Opportunity, Jobs, Believe, Running, Matter, Progress, Achieve, Scripts, Your
Presence, Happens, Dream, Passion*

You have to see the pattern, understand the order and experience the vision.

~Michael Gerber

If your business requires your presence you don't have a business, you have a job.

~Michael Gerber

The true start-up of a business is what happens before you start-up.

~Michael Gerber

Great businesses are not built by extraordinary people but by ordinary people doing extraordinary things.

~Michael Gerber

Most entrepreneurs fail because they are working IN their business rather than ON their business.

~Michael Gerber

Systems permit ordinary people to achieve extraordinary results predictably.

~Michael Gerber

Great people have a vision of their lives that they practice emulating each and every day. They go to work on their lives, not just in their lives.

~Michael Gerber

Systems run the business and people run the systems.

~Michael Gerber

The E Myth. Most entrepreneurs are merely technicians with an entrepreneurial seizure. Most entrepreneurs fail because you are working IN your business rather than ON your business.

~Michael Gerber

Building a World Class Company is a commitment to the integration of passion, purpose, and practice.

~Michael Gerber

A true business opportunity is the that an entrepreneur invents to grow him or herself. Not to work in, but to work on.

~Michael Gerber

The greatest business people I've met are determined to get it right no matter what the cost.

~Michael Gerber

With no clear picture of how you wish your life to be, how on earth are you going to live it?

~Michael Gerber

What is your Primary Aim? Where is the script to make your dreams come true?

~Michael Gerber

If your business depends on you, you don't own a businessâ€”you have a job. And it's the worst job in the world because you're working for a lunatic!

~Michael Gerber

If everybody's doing everything, then who's accountable for anything?

~Michael Gerber

What is the first step to take and how do you measure your progress?
How far have you gone and how close are you to getting to your goals?

~Michael Gerber
