A satisfied customer is the best business strategy of all.

~Michael LeBoeuf

Every company's greatest assets are its customers, because without customers there is no company.

~Michael LeBoeuf

The greatest management principle in the world is: 'the things that get rewarded and appreciated get done.'

~Michael LeBoeuf

We talk about saving time and killing time when actually we can't do either. We have no choice but to spend it at a constant and flowing rate.

~Michael LeBoeuf

The most important key to successful investing can be summed up in just two words-asset allocation.

~Michael LeBoeuf

Too many start up business fail simply because their owners continue to think and act like employees.

~Michael LeBoeuf

It's important for you to understand that stock and bonds go up-and they go down. You need to be comfortable with that fact.

~Michael LeBoeuf

We know that by simply changing our allocation between stocks and bonds, we can lessen the amount of volatility in our portfolio until we reach our comfortable sleep level.

~Michael LeBoeuf

As for worrying about what other people might think - forget it. They

aren't concerned about yours. They're too busy worrying about what you and other people think of theirs.

~Michael LeBoeuf

A Financial Research Corporation study determined that the expense ratio is the only reliable predictor of future mutual fund performance.

~Michael LeBoeuf

An asset allocation plan is based on your personal circumstances, goals, time-horizon, and need and willingness to take risk.

~Michael LeBoeuf

The things that get rewarded, get done

~Michael LeBoeuf

Knowing nothing about investing might be a benefit. You won't have to unlearn many popular beliefs propagated by Wall Street and the media that aren't true.

~Michael LeBoeuf

The ultimate goal of a more effective and efficient life is to provide you with enough time to enjoy some of it.

~Michael LeBoeuf

Adversity is an experience, not a final act.
