The truth about Hamas and Islamic Jihad is that they don't prevent Israel from existing or even flourishing, they prevent Palestine from coming into existence

~Michael Medved

If you believe that when the rich get richer, the poor get poorer, then you believe that creating wealth causes poverty, and you're an idiot.

~Michael Medved

Conservatives, despite their increasingly powerful presence on cable TV and talk radio, feel excluded and disregarded by the longstanding preponderance of liberal voices on public television.

~Michael Medved

Ronald Reagan, of course, was a Republican governor of California who went through a painful defeat in the 1976 presidential race before winning four years later

~Michael Medved

This same habitual blindness to spiritual, substantive dimensions of every significant challenge continues to handicap Hollywood.

~Michael Medved

Hollywood's persistent hostility to religious values is not just peculiar, it is positively pathological.

~Michael Medved

The left-leaning thinking that dominates the movie business follows a common liberal instinct to deny the spiritual dimension to every problem, thereby profoundly compounding the difficulties.

~Michael Medved

Why is it offensive to portray a creep and a murderer as a homosexual, but totally acceptable to present him as a religious Christian?

~Michael Medved

Savvy observers occasionally note television's resemblance to the weather: Everybody loves to complain about it, but nobody can do anything to fix it.

~Michael Medved

We spend too much time fretting over the way the industry produces programming, and too little worrying about the way the public consumes it

~Michael Medved

My objection is not that it's pro-gay but that it appears to be anti-marriage.

~Michael Medved

The twentieth century provides little or no evidence in any corner of the globe to support the contention that religion causes most human conflict.

~Michael Medved

Michael Moore became an industry hero and the most visible symbol of the Hollywood left.

~Michael Medved

For many celebrities, securing the public's votes can prove even more reassuring than winning an election by members of the Motion Picture Academy.

~Michael Medved

This is what many people in the movie industry don't get: when you express hostility to conservatives, many Americans feel that you're expressing hostility to them.

~Michael Medved

An important film that must be seen. Saving Lincoln is moving, ingenious, original and impressive.

~Michael Medved

My four years at Berkley represent two of the happiest weeks of my life.
