## Quotes

*College, School, Believe, Long, Reality, Teacher, Choices, African American, Opportunity, Teaching, Hero, Responsibility, Example, Remember, Hiking, Struggle, Stories, Climbing, Important, Class*

These fallen heroes represent the character of a nation who has a long history of patriotism and honor - and a nation who has fought many battles to keep our country free from threats of terror.

~Michael N. Castle

But all of this success came at the end of a long climb.

~Michael N. Castle

Just the example Delaware State University graduates set by the way they live their lives, should be an inspiration to other high school students to go to Delaware State.

~Michael N. Castle

Lance Armstrong, the famous cyclist and more importantly, cancer survivor, has said 'if you ever get a second chance for something, you've got to go all the way.'

~Michael N. Castle

This is a value-added college education if I have heard one described. And what is the most remarkable about Delaware State University graduates - is they just keeping giving back.

~Michael N. Castle

Through the years you, the Delaware State family and your predecessors, have faced many challenges. You worked through them with fierce determination and good will, and you have made great progress.

~Michael N. Castle

Repaying the debt of these ultimate sacrifices seems nearly impossible but we must try.

~Michael N. Castle

Delaware State began as a school bent on service - teaching

education, social services and nursing.

~Michael N. Castle

Ensuring a bright future for all our children is the responsibility of the community, the schools, families and like it or not- politicians as well.

~Michael N. Castle

Delaware State is no longer a college for African Americans without other choices, it is a university of choice.

~Michael N. Castle

I remember coming to this college in the 1960s as a new legislator when a road divided the campus - and it was not fully paved at that - and no wall defined the campus from the highway.

~Michael N. Castle

Typically, historical black colleges and universities like Delaware State, attracted students who were raised in an environment where going to college wasn't the next natural step after high school.

~Michael N. Castle

When Delaware State University was founded in 1890, it was not by choice, but by social reality.

~Michael N. Castle

I believe it is important for the university to always remember its roots.

~Michael N. Castle

We have to instill in them the skills they need to succeed at a young age and open up their imaginations to the very real opportunities they can be afforded if they put their minds to it.

~Michael N. Castle

We have long honored those who gave their lives during the

unfortunate reality of war.

~Michael N. Castle

Delaware State has established itself as an institution of excellence in its own right and attracts a diversity of students from various races, socio-economic status and locations.

~Michael N. Castle

Working together we can strengthen Delaware State University and the students who attend it.

~Michael N. Castle
