What happened happened. What's gonna happen, is gonna happen.

~Michael Pena

It's so interesting to watch Ben Stiller work because he just knows what's funny.

~Michael Pena

Eddie Murphy is just so off-the-cuff and can make anything funny. You hope that someday you'll acquire that skill, but maybe you're born with that.

~Michael Pena

You can have a kid and just be off at work all the time, and it's all mom. But, I spent a lot of time with him, so now, every time I see him, he's like, "Dada!"

~Michael Pena

I took a year and a half off, when my kid was born, because I didn't want to be one of those dads where the kid doesn't know who his dad is.

~Michael Pena

I've always noticed that girls cry way easier than guys do.

~Michael Pena

A good comic explores the imagination, but it's always got to have those notes of truth running through it.

~Michael Pena

I'm clearly not a writer, but I'm always a fan of them.

~Michael Pena

I'm just an actor. If it's drama, I add as much humour as the part will stand. And if it's a comedy, add as much drama as you can, so it

balances out; you don't wanna be too serious.

~Michael Pena

I have really good managers and agents who are very selective in what they send me.

~Michael Pena

I love documentaries and I watch documentaries to no end.

~Michael Pena

I grew up reading the newspapers, mostly the sports section. I was a wrestler and would check to see if I was ranked.

~Michael Pena

I want to do more sci-fi films. I want to play half-alien, half-illegal alien.

~Michael Pena

I guess people recognize me, but I'm not a household name. Two out of every five people who come up to me know my name. The one thing I don't want is to be followed by paparazzi.

~Michael Pena

I think writing is the most underrated thing in Hollywood.
