Today only happens once in a lifetime. Make the most of it.

~Michael Ray

In order to deal with the chaos that exists in the world today, you need some grounding. That grounding best comes from knowing who you are.

~Michael Ray

People have enough ideas. The real question is "Which ideas are you going to use?".

~Michael Ray

If there is one characteristic that signals creativity in business, it might be follow-through.

~Michael Ray

The less judgment the more curiosity, and the more curiosity the more creativity.
