I believe that every person has uniqueness - something that nobody else has.

~Michael Schenker

Even when I was very depressed, I could hold on to something. It seems that I have always had that streak of gold that I could hold on to.

~Michael Schenker

If everyone would look for that uniqueness then we would have a very colorful world.

~Michael Schenker

Depression is something that makes you lose your sight.

~Michael Schenker

The other thing that has made playing live for me more enjoyable is the audience. I never knew I had such heartfelt, loving fans.

~Michael Schenker

When you are live you never know what is going to happen.

~Michael Schenker

I practiced for at least two hours every day for twenty years, before then I practiced maybe four to five hours a day, and before then 14 hours a day. It was all I had ever done.

~Michael Schenker

If you copy then it is not self-expression.

~Michael Schenker

I have made stage adjustments which allow me to hear myself better onstage so that has made playing live much more enjoyable.

~Michael Schenker

I love to be creative.

~Michael Schenker

If you are a musician and you don't show any interest on the business level then you are actually vulnerable and people will rip you off. They will sweet talk you into anything.

~Michael Schenker

If you don't get on the field and play then you will be missing out.

~Michael Schenker

In order to get somewhere in life, you need to have a vision. The vision brings you to the table. Without a vision, you just do what everybody else does and you are just there.

~Michael Schenker

I prefer playing in the studio because you have much more control over things.

~Michael Schenker

I have always known that it comes from deep within myself. I always knew what sound I wanted, and how I wanted to play. I knew everything, it just had to be developed.

~Michael Schenker

I view life as a learning experience. It is not so much all about music; it is about what happens when you are doing the music.

~Michael Schenker

It would be a dream come true if I could just go from studio to studio and play solos.
