Personally, I think they killed the bear because they were afraid of it. That's what people do, kill the things they're afraid of.

~Michael Thomas Ford

I'm tired of people thinking they're doing me favours.

~Michael Thomas Ford

Let me tell something, seeing your name and psychiatric ward on the same piece of paper isn't the best way to start your day.

~Michael Thomas Ford

Once you realise there's nothing to be afraid of when you die, there's nothing else to worry about.

~Michael Thomas Ford

When people hurt us, the best thing to do isn't to ask why they did it but to remind ourselves that it wasn't our fault.

~Michael Thomas Ford

I knew people were talking, but I wasn't listening. I wasn't interested in anything anyone had to say.

~Michael Thomas Ford

That's what people do. Kill the things they're afraid of.

~Michael Thomas Ford

Why is it that you have to warn people about who you are?

~Michael Thomas Ford

No one in France cares if you tried to kill yourself. In fact, I think they like you better because you're all tragic.

~Michael Thomas Ford

Here's what I think. One, people should figure out that if they go around

bothering bears, chances are they're going to end up bear snacks.  
Second, people suck.

~Michael Thomas Ford

That sounds weird: "kill yourself." It makes it sound like you tried to murder someone, only that someone is you.

~Michael Thomas Ford

If you ever manage to become perfect, you have to die instantly before you ruin things for everyone else.

~Michael Thomas Ford

I know all about dreams that make you want to scream.

~Michael Thomas Ford

It will go away... The stuff in your head. Little by little.

~Michael Thomas Ford

I keep feeling like everyone wants me to apologize for something.
