Doors will slam in your face. You must pick yourself up, dust yourself off, and knock again; it's the only way to achieve your goals in life.

~Michael Uslan

There have been so many interpretations of both Batman and the Joker in the comic books themselves over the decades, from one extreme to the next, and in the media, from one extreme to the next.

~Michael Uslan

I reject the concept that comic books in movies are a genre. I have been fighting that for many years, with the powers-that-be in Hollywood.
