What our country deserves from everyone who enjoys its fruits and freedoms is a little more gratitude - and a lot less greed.

~Michelle Malkin

Environmentalists hate sprawl - except when it comes to the size of their expansive pet legislation on Capitol Hill.

~Michelle Malkin

Liberals see racism where it doesn't exist, fabricate it when they can't find it and ignore it within their own ranks.

~Michelle Malkin

Silence is complicity. Speak now or surrender your ground.

~Michelle Malkin

Minority conservatives hold a special place of gutter contempt in the minds of unhinged liberals, who can never accept the radical concept of a person of color rejecting identity politics.

~Michelle Malkin

Since when did the American Dream become the American Guarantee?

~Michelle Malkin

Bank of America is to sweetheart loans and Democratic Party payoffs as Paula Deen is to sugar and bacon grease.

~Michelle Malkin

We knew Chris Matthews had no shame. Now we also know the king of TV ghouls has no souls

~Michelle Malkin

Birds of a lawless, bigoted feather bully together.

~Michelle Malkin

It's time for ordinary Americans to come out of the shadows and remind Washington every day in words and actions that we are a sovereign nation, not a sanctuary nation.

~Michelle Malkin

Pond scum stinks. And so do the Obama administration's enormous, taxpayer-funded 'investments' in politically connected biofuel companies.

~Michelle Malkin

Who would have guessed that the shots heard 'round the world 225 years ago would fall on deaf ears in a nation now more sympathetic to the gun-grabbing Redcoat than the gun-bearing rebel?

~Michelle Malkin

The core failure of Team Obama is not a failure to communicate, but a failure to comprehend.

~Michelle Malkin

The only true allegiance a politician has is to his own re-election.

~Michelle Malkin

No matter how you rearrange President Obama's inner circle, it still looks, smells and tastes like a rotten Chicago deep-dish pizza.

~Michelle Malkin

I think the thing that I admire about Rick Santorum is that he hasn't backed down or apologized one bit for his personal religious views, for standing up for social conservative values.

~Michelle Malkin

I stand with the Santa Barbara News-Press. How about you?

~Michelle Malkin

Team Obama is exploiting the power of high government office to intimidate lawful, peaceful contributors who support limited-government causes.

~Michelle Malkin

There is no such thing as a 'free' government benefit. Ask small-business owners who are footing skyrocketing bills for bottomless jobless benefits.

~Michelle Malkin

There is no other industry that is more self-congratulatory and self-delusional than journalism. Well, maybe with the exception of Hollywood.

~Michelle Malkin

History has shown us that 'Get Things Done' is mindless liberal code for passing ineffective legislation and expanding government for government's sake.

~Michelle Malkin

Most small-business owners will tell you they don't want Obama 'boosting' them. They just want him to get out of the way.

~Michelle Malkin

Raising the traditional and early retirement ages will mean extending workers' taxable earning years, fueling economic growth and putting a dent in our unfunded-liabilities crisis by delaying payouts.

~Michelle Malkin

Let me sum up in two words how the unhinged Left copes with the threat of global jihad: "Kill Bush!"

~Michelle Malkin

Nothing symbolizes American strength and vigor more than another

unaccountable Washington bureaucrat.

~Michelle Malkin

Tolerance is a one-way street in the Age of Obama. 'Choice' is in the eye (and iron fist) of the First Amendment usurper.

~Michelle Malkin

Out: Reading is fundamental. In: Feeling is fundamental.

~Michelle Malkin

Who needs enemies when you've got Republican Surrenderists for Obamacare waiting in the wings?

~Michelle Malkin

Let there be no doubt: Democrats are the party with two ideas: borrow and spend. The only vigorous internal debate on the left revolves around two questions: How much and how much more?

~Michelle Malkin

The most dangerous lechers and creeps are not drunks wearing rags on the street, but respectable men wearing hairspray, pinstripes, and wedding rings who lurk in the halls of power.

~Michelle Malkin

We live in a different era now. And thank God for that.

~Michelle Malkin

The deal looks bad and smells worse.
