Challenges, Fun, Military, Spiritual, Mom, Retrospect, Brain, Sense Of Humor,  
Together, Looks, Sorry, Baby*

I live in L.A., so layers are essential to my wardrobe. I like slim silhouettes, typically, and I love good tailoring.

~Michelle Monaghan

Everything looks more beautiful in retrospect.

~Michelle Monaghan

Woody [Harrelson] and I actually worked together years ago on North Country. So I felt completely at ease.

~Michelle Monaghan

You don't grow up in a town of 700 thinking you're going to be an actress. I loved doing [school] plays, but it was just something to keep me busy.

~Michelle Monaghan

Religion is something that is very well intentioned, for all intents and purposes, for everyone around the world, but sometimes it can start to get warped.

~Michelle Monaghan

I have a lot of fun. I'm passionate about what I do. I really love that.

~Michelle Monaghan

I found out a few months after we started [True Detective] that I was pregnant.

~Michelle Monaghan

I'm not too modest of a person. I've got a pretty blue sense of humor.

~Michelle Monaghan

When I was growing up, my parents took in foster children. From a young age, I learned that there are a lot of children in need.

~Michelle Monaghan

I'm a big fan of improvisation but I can't say that I'm great at it.

~Michelle Monaghan

I grew up Catholic. I'm not religious now but I would say that I'm a very spiritual person and you're always in search of answers.

~Michelle Monaghan

I think, typically, sci-fi can be a little bit grey and thought provoking. Sometimes it leaves you pondering certain questions and things.

~Michelle Monaghan

I want to be inside Nic Pizzolatto's brain.

~Michelle Monaghan

I find that in preparation for a drama you can do a lot of character work and develop the character and know what you want to achieve and project throughout the course of the film.

~Michelle Monaghan

I smoked for almost 10 years. I really regret that. Thankfully, I came out on the other side. I hope my lungs are repairing themselves now.

~Michelle Monaghan

It's really challenging to play comedy.

~Michelle Monaghan

I really love the festival circuit.

~Michelle Monaghan
