Fleetwood Mac were really accessible musically, but lyrically and emotionally, we weren't so easy. And it was our music that helped us survive. But all of us were in pieces personally.

~Mick Fleetwood

I love wearing a lot of color, and I am majorly into scarves. I'm the Beau Brummell of Fleetwood Mac, no doubt.

~Mick Fleetwood

We're all looking for those moments - a relief. That's why people go out and treat themselves.

~Mick Fleetwood

The value of friends has always been a natural thing. I prefer too many to too few.

~Mick Fleetwood

The down side these days is thinking that, "I can do this all on my own". Yes, you can do this on your own but you'll be a much happier human being if you do it with other human beings.

~Mick Fleetwood

Rock and roll is commitment. Rock and roll is passion and spirit.

~Mick Fleetwood

Fleetwood Mac has been pretty truthful. Open about what we do. We've always done it from the inside out. Versus being pressured from the outside and changing the inside. And that's our story.

~Mick Fleetwood

My template for most songs is 'Is this inspiring?' and with the blues it so often is.

~Mick Fleetwood

John Lee Hooker became a friend of mine and I love all of his work. He was truly an icon. He lived the life. I miss him.

~Mick Fleetwood

In order to run a great business, you must know that a bunch of really intrinsically unhappy people, that's not a recipe for success. Don't be anywhere you don't need to be; it's just like that.

~Mick Fleetwood

Life is a glass of wine and having your feet washed - it's a biblical event, might I add. This is part of mankind's story. You are always looking for a moment to take a break.

~Mick Fleetwood

I learned music listening to Elvis' records. His measurable effect on culture and music was even greater in England than in the States.
