American Action Network should be spending their money to try and get those Democrats to change the votes, not beating up on Republicans in the House.

~Mick Mulvaney

We're looking for stuff everyone agrees is a complete waste of time. Many agencies have forgotten how to deregulate. It's been so long since somebody asked them to look backwards.

~Mick Mulvaney

We are trying to get a border wall to protect millions of low income Americans against folks who aren't supposed to be here. So, it's a national security.

~Mick Mulvaney

You can't look at the tax cut on a family until you realized how - how much better off they're going to be in a growing economy.
