Neptune controls Pluto's orbit. Neptune is the bully of that neighborhood.

~Mike Brown

I loved Pluto. I was totally fascinated by Pluto. When I started in astronomy, I started looking at this region of the sky because I thought it was so interesting out there.

~Mike Brown

Travel light and trust in serendipity.

~Mike Brown

You can't get away from yourself, but you can get yourself out of the way.

~Mike Brown

The act of 'letting go' is actually very easy - it's effortless. Thinking about, talking about, and contemplating 'letting go' is hard.

~Mike Brown

All the stars all the galaxies are in the same spot night after night after night. And Planet Nine, when we see it, will slowly move across the sky.

~Mike Brown

For a successful strategy session, keep the food light, the lights bright, and drink caffeine all night.

~Mike Brown

Let's not just make noise, let's make a difference.

~Mike Brown

Rocky is a warrior, we've had a lot of great battles starting from when I was 16. He's a true team player, great fighter, and I have a ton of

respect for him.

~Mike Brown

The risk that is involved in trusting is stepping forth with willingness with a knowing that you can lose something or fail, and doing it anyways

~Mike Brown

Planets are the big bullies of the planetary system that are, that basically ignore everybody else around them. And everybody else has to deal with the planets. Those are what the planets are.

~Mike Brown

Finding out that something you have just discovered is considered all but impossible is one of the joys of science.

~Mike Brown

Discovery is exciting, no matter how big or small or close or distant.

~Mike Brown

I lead horses to water and if they don't drink, then I drown them.
