Since its inception, our Nation has stood on the foundations of compassion and justice.

~Mike DeWine

It is my mission to ensure that HIV-positive children and children with AIDS are no longer overlooked and that they begin receiving the treatment and care they deserve.

~Mike DeWine

Yeah, look, I think what we have with the social media and the digital media, and all the telecommunications we have today is a big megaphone, amplification.

~Mike DeWine

On every journey you take, you are met with options. At every fork in the road, you make a choice. These are the decisions that shape your life.

~Mike DeWine

Judges need to restrict themselves to the proper resolution of the case before them. They need to avoid the temptation to set broad policy.

~Mike DeWine

I find it personally distracting when kids are constantly texting, but they can be texting something that is just benign and just fine.

~Mike DeWine

The entertainment industry is encouraging young people to defy and deceive their parents.

~Mike DeWine

This is a time for a national conversation. A conversation about the document that binds us as a nation and a people. That document, of course, is the Constitution.

~Mike DeWine

To add to the confusion, some of the court's decisions involved multiple concurrences and dissents, making it hard even for lawyers and judges to figure out what the law is and why.

~Mike DeWine

Judges are not members of Congress, they're not state legislators, governors, nor presidents. Their job is not to pass laws, implement regulations, nor to make policy.

~Mike DeWine

Well, you know, my wife and I have eight children. We have now 19 grandchildren.

~Mike DeWine

It's in every single county. It's in our cities but it's also in our wealthier suburbs. It's in our small towns. There is no place in Ohio where you can hide from drug epidemic .

~Mike DeWine

I put a lot of emphasis on childrens issues. Children are many times ignored because they dont vote, and they dont have lobby groups.

~Mike DeWine

You know, kids text a lot today. It's phenomenal.

~Mike DeWine

This is the worst drug epidemic I've seen in my lifetime.

~Mike DeWine

If Congress were to censure, fine or otherwise try to punish a president, it would dramatically alter the balance of power between the branches.

~Mike DeWine

When it comes to our Constitution, judges perform, certainly, an important role. But the people, acting through their elected representatives, should play an even more important role.

~Mike DeWine

In his brief 21 years on this earth, Michael Smith Jr. touched countless lives.

~Mike DeWine

There's no typical person [addicted to heroin]. It just has permeated every segment of society in Ohio.

~Mike DeWine

There's no psychological barrier anymore that stops a young person or an older person from taking heroin.

~Mike DeWine

There is no place in Ohio where you couldn't have drugs delivered to you in 15, 20 minutes.

~Mike DeWine

The Constitution empowers the people to resolve our day's most contentious issues. When judges forget this basic truth, they do a disservice to our democracy and to our constitution.

~Mike DeWine

Some have even suggested that this recent trend has transformed our democracy from one founded on, "We the people," to one ruled by, "We the court."

~Mike DeWine

Our constitutional system is founded on democracy: the will of the people, not the unchecked rule of judges.

~Mike DeWine

That very document [Constitution] does little to serve people when Supreme Court decisions are written so that even high-priced lawyers can't figure them out.

~Mike DeWine

In 1937, President Franklin Roosevelt reminded us that the Constitution is, and I quote, "a layman's document, not a lawyer's contract."

~Mike DeWine

The court's recent decisions have made life more difficult for the democratic institutions that perform the day- to-day work of our nation.

~Mike DeWine

Without question, the court does play a vital role in our constitutional system.
