*Children, People, Years, School, Teacher, World, Senior, Iraq, Communication,  
Father, Luxury, Flags, Information, Home, Long, Media, Criminals, Grateful,  
Agreement, Mistake*

The estate tax punishes years of hard work and robs families of part of their heritage by imposing a huge penalty on inheritance after death - a tax on money that has already been taxed.

~Mike Fitzpatrick

The technological breakthrough of the World Wide Web has been enormously beneficial to society.

~Mike Fitzpatrick

The American flag is the symbol of our freedom, national pride and history.

~Mike Fitzpatrick

Traditionally, Medicare's assurance has been that for the elderly and persons with disabilities that they will not be alone when confronted with the full burden of their health care costs.

~Mike Fitzpatrick

Our flag represents every American and it should not be hidden away as a result of property agreements.

~Mike Fitzpatrick

The Internet has brought communities across the globe closer together through instant communication.

~Mike Fitzpatrick

Back then, the excise tax was designed to be a luxury tax for people who owned telephones.

~Mike Fitzpatrick

Today, credit rating agencies rate companies, countries and bonds.

~Mike Fitzpatrick

Parents have the ability to screen their children's Internet access at

home.

~Mike Fitzpatrick

Social networking sites like Myspace, Friendster, and Facebook have literally exploded in popularity in just a few short years.

~Mike Fitzpatrick

As the father of six children, I want to know that when my wife or I drop our kids off at school they will be safe from predators, crime and violence.

~Mike Fitzpatrick

Make no mistake; child predation on the Internet is a growing problem.

~Mike Fitzpatrick

Shortly after news of Zarqawi's death reached the media, al-Qaeda stated its intention to continue its oppression of the Iraqi people.

~Mike Fitzpatrick

Dying should not be a taxable event.

~Mike Fitzpatrick

Myspace alone has just over 80 million users and ranks as the sixth most popular English language website and the eighth most popular site in the world.

~Mike Fitzpatrick

As the father of six children, I know very well the challenges technology poses to our families.

~Mike Fitzpatrick

The best defense against these people is to educate parents and children of the dangers that come along with the Internet and by limiting access to certain sites during the school day.

~Mike Fitzpatrick

Predators will look for any way to talk to children online whether through sites like Myspace, instant messaging, or even online games.

~Mike Fitzpatrick

She'll be evaluated like any other Double-A umpire. Major League Baseball has never attempted to influence our decision

~Mike Fitzpatrick
