Dimensions, Profession, Crazy*

Military operations cannot be tidy or free of friction - particularly in a coalition whose contributing nations see the campaign through national prisms.

~Mike Jackson

You cannot expect soldiers to change people's minds. That has to be done in other ways.

~Mike Jackson

We told them this morning and I think they (reacted) like you would expect. It was a surprise and the reality of this is very sobering for everybody. I don't take this lightly at all not at all.

~Mike Jackson

Look, we're living in a crazy time right now. There's a lot of craziness going on in the world and in the United States in particular.

~Mike Jackson

The system is broken, and we can fix it. It's not hard. We just have to do the work.

~Mike Jackson

Everything starts and finishes with the soldier.

~Mike Jackson

A lot of networks don't want to touch controversial subjects, and especially stuff that deals with race and history.

~Mike Jackson

The Russians are a very sentimental people.

~Mike Jackson

Soldiering is a very important profession, is it not?

~Mike Jackson

Not much over Â£1,000 a month for the private soldier on operations is hardly an impressive figure.

~Mike Jackson

Missing your lunch is not exactly the end of the world.

~Mike Jackson

It is absolutely bedrock to the British Army's philosophy that a commanding officer is responsible for what goes on within his command.

~Mike Jackson

If you move between battalions, you are still within the same tribe.

~Mike Jackson

Technology's become the great prism for what's going on in the world.

~Mike Jackson

You know, never say never.

~Mike Jackson

I understand all the problems for the Ministry of Defence, of course I do; working within a budget and trying to do so many things is not easy.

~Mike Jackson

Well, the U.N. Security Council resolution 1973 is very clear. It says all necessary measures to be taken to protect civilians and civilian areas. I mean, that to me is very clear.

~Mike Jackson

Nations, not least America, retain full command of their national forces.

~Mike Jackson

Intervention continues to be a prominent dimension of the post-cold war

world.
