The Tea Party movement as I perceive it is all about recognizing the difference between state and federal powers. And that there are limits to federal power that need to be respected.

~Mike Lee

I want to be one that is willing to do things that are not easy but that need to be done.

~Mike Lee

When you have less revenue coming in the door, you have more money going out the door. You have to find ways of trimming.

~Mike Lee

The trend of offering individualized education plans, curricula, and lessons is going to help students tremendously. "Teaching to the middle" is one of the saddest concepts I've ever heard about.

~Mike Lee

My political views have since I was a kid somehow or another reflected the concerns of Tea Party movement.

~Mike Lee

When you have a country that's been accustomed to government spending at a certain level, it is really hard to ratchet it back.

~Mike Lee

Limited government must come politically, not judicially.

~Mike Lee

I'm nobody's deputy. I am who I am. I'm my own person.

~Mike Lee

It is simply science fiction fantasy to say that, if you do not raise the debt ceiling, that everything is going to collapse.

~Mike Lee

These guidelines contemplate a policy that will grant special benefits to illegal immigrants based on their unlawful presence in the country.

~Mike Lee

Yes. That's exactly what I'm saying and I've been saying this for six months.

Congress constitutionally lacks general police powers.

~Mike Lee

I think I was about 30 before I realized that not every family talks about the presentment clause on a regular basis.

~Mike Lee

The conservative candidate who ignores moderates is as misguided as the moderate candidate who ignores conservatives.

~Mike Lee

I don't want a government shutdown. I don't think anyone does.

~Mike Lee

You can never be too old or too young to be attracted to someone. I still remember my first crush back in grade school.

~Mike Lee

NYC, You Inspire Me to never stop exploring the endless possibilities of food.

~Mike Lee

The Tea Party has an important voice in the country and now they have a voice in the U.S. Senate.

~Mike Lee

I think declaring a no fly zone over foreign soil is tantamount to an act of war.

~Mike Lee

We can't legislate the creation of jobs, but we can legislate things that will allow jobs to be created.
