If Russia shuts off central Asia and the Caspian Sea from Europe, the European allies of the United States will be totally dependent on Russian gas and energy.

~Mikhail Saakashvili

Solidarity was the best thing which happened in the 20th century.

~Mikhail Saakashvili

With the most powerful binoculars, I cannot see Alaska.

~Mikhail Saakashvili

Georgia does not need Russia as an enemy.

~Mikhail Saakashvili

For the first time in 15 years, Georgia this winter has its electric power guaranteed without deficit. This is a historic achievement.

~Mikhail Saakashvili

First and foremost - our vision for a united and peaceful Georgia is based on respect for the desire - and respect for the right - to South Ossetian autonomy.

~Mikhail Saakashvili

It is time we Georgians did not depend only on others, it is time we asked what Georgia will do for the world.

~Mikhail Saakashvili

Keeping small nations enslaved because of the deals between the great nations or because of any pragmatic considerations that might have been there are totally unacceptable.

~Mikhail Saakashvili

Georgia is not just a European country, but one of the most ancient European countries.

~Mikhail Saakashvili

We must create the Georgia that our ancestors dreamed of, the Georgia that we dream of.

~Mikhail Saakashvili

I promise not to become a source of shame for you.

~Mikhail Saakashvili

We have not created any sort of democratic test for any nation.

~Mikhail Saakashvili

America is very important economically. It's certainly, by far, the most important country in the world.

~Mikhail Saakashvili

I have good relationships with Hillary Clinton, Joseph Biden and especially Richard Holbrooke - he is my teacher. I learned a lot of great things from him.

~Mikhail Saakashvili

Well, killing me makes no sense because Georgia already has a Western-educated political class.

~Mikhail Saakashvili

I admire American ideas.

~Mikhail Saakashvili

Investors feel very comfortable working in Georgia

~Mikhail Saakashvili

Understandably, no peace can be sustained when people continue to suffer from hunger, lack of jobs, lack of basic public services - and most of all - lack of opportunity or hope.

~Mikhail Saakashvili

The more insecure you are, the more prone you are to create crises.

~Mikhail Saakashvili
