You do a James Bond film, you're being part of an anachronism, a tradition.

~Minnie Driver

As a single mum I have to work, so I'm grateful to have the help of a wonderful and trusted nanny like I had when I was young.

~Minnie Driver

There is absolutely no point in sitting around and feeling sorry for yourself. The great power you have is to let go ... focus on what you have, no that which has been mean or unkindly removed.

~Minnie Driver

The Masonic aspect of Hollywood is so bizarre.

~Minnie Driver

I like the theater enormously, but I truly love films - the whole bizarre, boring process that it can be.

~Minnie Driver

Babies are endlessly fascinating to look at and I'm obsessed about their complete and utter lack of guile.

~Minnie Driver

But I love filmmaking - I'm not ashamed of that. You're sort of vilified if you say that in England.

~Minnie Driver

Last year my boyfriend gave me a painting - a very personal one. I really prefer personal gifts or ones made by someone for me. Except diamonds. That's the exception to the rule.

~Minnie Driver

I was equally in love with singing and acting from an early age.

~Minnie Driver

Celebrity is a weird appendage, which is useless unless you do something with it.

~Minnie Driver

Singing is my dream and, while it may have not been a commercial success, critically I was thrilled with the reception my first album got.

~Minnie Driver

I really fancy Harrison Ford. I've got to say I think he's really divine. He's, like, an older man, I guess, although he's not really that old, obviously. I don't want to offend him

~Minnie Driver

I live a generally quiet life, as it were.

~Minnie Driver

Anyone who has that weird volition to become an actor probably has a weird volition to do lots of other creative things - to write, to play music, to paint, to cook.

~Minnie Driver

As an English actress constantly playing Americans, you already had to step way out of your box in that way.

~Minnie Driver

Celebrity is a very tricky area to navigate.

~Minnie Driver

I will make time to eat every day. I couldn't do as much as I do, actually, if I didn't eat.

~Minnie Driver

I want a regular pay cheque.

~Minnie Driver

I waited a long time to have children because I had this career that was kind of like my kid, it required as much nurturing.

~Minnie Driver

I don't really put my name to anything that I don't love and believe in, because there's no point.

~Minnie Driver

Growing up, I thought I'd have at least five kids.

~Minnie Driver

I must know good yoga classes in about 25 cities on this planet.

~Minnie Driver

I wouldn't change a thing about what I've done in the past because what may have been bad choices have all led me to this moment.

~Minnie Driver

People go 'You look a lot like Minnie Driver.' Once I said, 'Thanks, Minnie is a great actress.' But, it blew up in my face. This person said, 'Nah, didn't like the last movie she did.'

~Minnie Driver

I taught myself how to play guitar - pretty badly, but I knew enough about music to start to figure it out.

~Minnie Driver

I would never judge anyone for going anywhere for money.

~Minnie Driver

I wouldn't go back and be 25 again for all the tea in China.

~Minnie Driver

I don't know why my parents split up. I guess they just drifted apart, but I do know they stayed very good friends.

~Minnie Driver

I really believe in the characters I play.

~Minnie Driver

Palmer's Cocoa Butter Formula Cream - you can use it everywhere.

~Minnie Driver

I swear to God, I would marry the first person who asked me, just because it seems so completely impossible that anyone would ask.

~Minnie Driver

I don't know how you would live in the world of Angelina Jolie or Jennifer Aniston and being stalked. It's just brutal.

~Minnie Driver

Hollywood is portrayed in this super glamorous way, but when I see pictures of actresses going off the rails, it doesn't surprise me at all.

~Minnie Driver

I can set up shop anywhere. I've got my oils, I've got my yoga mat and I'm good to go. I must know good yoga classes in about 25 cities on this planet
