Jobs, Likes*

Every director is completely different.

~Miranda Otto

The guys on the stunt team are really fantastic. It's really funny, because for all the aggression they have to display on screen, they're actually really happy, good-natured people.

~Miranda Otto

Around the time of 'The Lord of the Rings,' it was a shock to me just how big it is to be on that kind of media juggernaut. It was a big thing and the scrutiny was shocking.

~Miranda Otto

I hate being pigeon-holed into anything. To me, the best thing is when the next job comes and is completely different to the one that I just had.

~Miranda Otto

I'd always had a big thing for the '60s.

~Miranda Otto

Writers would hate me saying this, and I love words, but I have to say that cinema exists, on one level, for the power of the big image and what that image does.

~Miranda Otto

I'm so fair that I didn't go in the sun as a child. When all my friends were on the beach, I was going to ballet. The teachers there didn't like you going in the sun, so I never did.

~Miranda Otto

Some scripts you read and say, 'I've just got to do this' and you find a way of making it work. Some things you turn down because of the impact on family.

~Miranda Otto

Acting is a freelance career... you never stop having to prove yourself and fight for work.

~Miranda Otto

I think film likes me better than the theatre does for some reason.

~Miranda Otto

You are being hit with tabloid-journalism bi-lines of what you are doing because you have suddenly become a star.

~Miranda Otto

I have plenty to look forward to, I'm sure.

~Miranda Otto

With TV, the most important thing is just to get people to turn it on.

~Miranda Otto

It could be a stupid thing to say, but people should realize that it is easy to get concerned about yourself and to lose contact.

~Miranda Otto

I think you go through a period as a teenager of being quite cool and unaffected by things.

~Miranda Otto

I like working intensely, then going away and thinking about it, working out why it didn't work and then coming back to it. It makes the work richer, I think.

~Miranda Otto

I've made my peace with being in the spotlight, definitely.

~Miranda Otto

Everyone says you should get a photo taken of yourself while you're pregnant. I've got a film [War of the Worlds]. It'll be nice for my daughter, too, to look at one day. She was in it.

~Miranda Otto

Whenever I mention Greg Kinnear's name to anyone, they always say, "Oh, love him!" He's a really terrific actor, and very funny.

~Miranda Otto

You can make the best show in the world, but if people don't actually turn it on and see it, they'll never know it's the best show.

~Miranda Otto

As an actor, I would call it a role where you get to stretch out a bit.

~Miranda Otto

It is hard sometimes to see how other actors are working when you are working with them.

~Miranda Otto

There's such big pressure on people who are incredibly famous, on those who have people sitting outside their front door and taking photos every time they move.

~Miranda Otto

Young actors are serious about their work and don't take any time out from it. I'm very serious about my work; there are probably only two films I've done where I had a really good time.

~Miranda Otto
