I did extensive, extensive recordings and made a classical CD-ROM set, which is still on the market. For ten years, it was by itself as the cream of the crop of samples.

~Miroslav Vitous

I thought it was time to get a group together and the first person I thought of was Wayne Shorter. I called Wayne and in the meantime, Wayne called me to make an album with him, which was Super Nova.

~Miroslav Vitous

I was very much fascinated with the technology we had that we could edit in the computer our compositions, but all the sounds that were available on the market were crap.

~Miroslav Vitous

I continued studying by myself in the field of jazz with my own technique of improvisation, walking bass lines, rhythms, all kinds of stuff, which I created for myself.

~Miroslav Vitous

So the whole basis for jazz music is based on the fact that the bass player could not play his instrument.

~Miroslav Vitous

I actually met Chick Corea in New York, where I was staying with a bass player friend.

~Miroslav Vitous

I was pretty much prepared because I was already playing in extremely good ways when I arrived from Europe because I played jazz four or five years before I arrived here.

~Miroslav Vitous

I am touring in Europe. I am putting together a trio and a quartet. I am

playing solo concerts with my symphonic sounds. I am very much engaged back to playing and recording and everything.

~Miroslav Vitous

Miles Davis had me play and he hired me the following week and after that, everything broke wide open.

~Miroslav Vitous

I basically started playing violin at the age of six. That lasted about three years because my previous teacher died and the second teacher didn't really know how to successfully get me going.

~Miroslav Vitous

So I am one of those bass players who can do something and musically, it was back then and now it is even more, if you noticed on the new album, I am not playing all the time anymore.

~Miroslav Vitous

But I have returned to one hundred percent playing this year. I am fully back to playing full time.

~Miroslav Vitous

I am a Slavic musician and it is deeply inside of me.

~Miroslav Vitous

The money in the schools overpowers the principles of the purpose.

~Miroslav Vitous
