There are two types of companies in the world: those that know they've been hacked, and those that don't.

~Misha Glenny

The issue of cyber-security, cyber-crime, and cyber-malfeasance has an impact on a whole range of issues, not the least of which is civil liberties, political activity, and so on and so forth.

~Misha Glenny

The Internet has fashioned a new and complicated environment for an age-old dilemma that pits the demands of security against the desire for freedom.
