

Moon Jae-in Quotes

*North Korea, Believe, Goal, President, Country, Leader, Strong, Giving Up,
Resolution, Long, Human Rights, Reality, Justice, Dialogue, Mean, Security,
Block, Technology, Program, Values*

Fairness and justice will be the base of my government.

~Moon Jae-in

When it comes to dialogue between South and North Korea and between the United States and North Korea, these can go on parallel tracks. South Korea and the United States can each play a role.

~Moon Jae-in

For now we must continue to strengthen our sanctions and pressure on North Korea.

~Moon Jae-in

What Korea and the U.S. both ultimately seek to achieve is the dismantlement of North Korea's nuclear program.

~Moon Jae-in

It is very deplorable that North Korea still does not uphold human rights, which are universal values.

~Moon Jae-in

President Trump also mentioned that under the right conditions, he is willing to engage in dialogue with North Korea.

~Moon Jae-in
