People are hungry for messages of hope and life. What are you broadcasting?

~Morgan Brittany

I was looked at as weird, odd, not fitting in with the Hollywood crowd.

~Morgan Brittany

Do not trust the person of spite; though you have loved and tamed them, the snake will bite.

~Morgan Brittany

Hollywood people want to build you up and make you famous only to knock you off you're the pedestal they built for you.

~Morgan Brittany

You have to work in this business on your own terms. Don't sell out for money, fame, or notoriety.

~Morgan Brittany

The only time in my career prior to that I played an evil character was in 'The Twilight Zone'.

~Morgan Brittany

The highest grossing films have great, moral messages - not dirty, base themes, so we're trying to get producers to make more of the uplifting movies.

~Morgan Brittany

Most child actors go through that. Unless you can transition into an adult star, your career is over.

~Morgan Brittany

Everything is a rejection of you, not your product, or your script, or a cosmetic. It's you.

~Morgan Brittany

You put yourself on the line as a performer, and when people reject you, it's a personal rejection.

~Morgan Brittany

Hollywood has an obligation to watch what they put out there. Kids do imitate what they see - good or bad.

~Morgan Brittany

I've played killers, crazies, and really bad people.

~Morgan Brittany

I lost agents and managers because I turned down big movies that were smutty.

~Morgan Brittany

At the time I was growing up in the business I was very well established within the industry as a child actor and as I grew up and turned into a teenager there was less and less work.

~Morgan Brittany

I had no real education because I was in and out of schools so I decided that I would completely change my look, change my image, change my name and move to New York.

~Morgan Brittany

I thought I would keep the first name Susan and change the last name but I picked up this book and as I opened it the lead character in it was called Morgan Brittany.

~Morgan Brittany

I can meet any producer in Hollywood and look them in the eye, knowing I didn't sleep with them, or do drugs with them.

~Morgan Brittany

I feel bad about a lot of the movies I see that teach kids that if they do bad, they'll win.

~Morgan Brittany

You've got to hang on to who you are, what you are. Don't let anyone take it from you.

~Morgan Brittany

Drugs won't enhance your performance.
