I think that our fundamental belief is that for us growth is a way of life and we have to grow at all times.

~Mukesh Ambani

Relationships and trust. This is the bedrock of life.

~Mukesh Ambani

I personally think that money can do very little. And this has been my experience all across.

~Mukesh Ambani

Really do a job and do it well.

~Mukesh Ambani

Essentially, whoever is successful, whoever is going to do things that make a difference, is going to be talked about.

~Mukesh Ambani

Everybody has equal opportunity, and I think that is true for everything.

~Mukesh Ambani

You have to manage money. Particularly with market economies. You may have a great product but if your bottom line goes bust then that's it.

~Mukesh Ambani

In my father's language: "To create something out of nothing." That possibility exists in India even in old-world sectors like agriculture.

~Mukesh Ambani

My big advantage was to have my father accept me as first-generation.

~Mukesh Ambani

I don't think that ambition should not be in the dictionary of

entrepreneurs. But our ambition should be realistic. You have to realise that you can't do everything.

~Mukesh Ambani

As long as we place millions of Indians at the centre of our thought process, as long as we think of their welfare, their future, their opportunities for self-realisation we are on the right track.
