I always love being in the company of women. It's all about good conversation and great wine.

~Naomi Watts

There's a lot of skeletons in my closet, but I know what they're wearing. I'm not gonna act all ashamed of it.

~Naomi Watts

I'm not this dark, twisted person. Yes, I have my demons and this is my way of exorcising them. It gets them out - and better out than in.

~Naomi Watts

If we could just trust the moment that we're in and live it in the way that you best can embrace it, it would be much better for all of us.

~Naomi Watts

It's always nerve-racking to take off your clothes on film. But doing it with a woman felt safer than with a man. You know you can say, 'Don't grab me there: That's where my cellulite is!'

~Naomi Watts

You have to make peace with yourself. The key is to find the harmony in what you have.

~Naomi Watts

Pain is such an important thing in life. I think that as an artist you have to experience suffering.

~Naomi Watts

There's a set of rules out there somewhere that says it all ends by 40. I hope to be able to defy that because I truly love my work.

~Naomi Watts

I'm not happy unless I've got a little bit of fear going.

~Naomi Watts

Nicole was always there with her door open, her arms open, her ears open - just what you need.

~Naomi Watts

We're so afraid of death in our culture, but I think if we understand it better, then we'll appreciate the life we have more.

~Naomi Watts

Oh, I'm definitely a wild child.

~Naomi Watts

We're all the same, we all think its better somewhere else; its better being older if you're younger - or its better being younger when we're older.

~Naomi Watts

I meditate. I do transcendental meditation and I have been doing that for a long time and that does just clear the mind. I am not religious at all.

~Naomi Watts

I go to a dance class myself called BBS - Body By Simone - its little mini dance routines and I am often the oldest person in the room although I forget that. I'm fairly fit.

~Naomi Watts

On set is where I feel comfortable. The red carpet stuff, talking about the film, explaining your own life, it doesn't come naturally. It's all necessary stuff I suppose but it's not my strength.

~Naomi Watts

The use of violence in movies is a subject that's worth addressing. I'm

not standing on a soapbox or wagging a finger, but I'm interested in those subjects for sure.

~Naomi Watts

If I have to produce movies, direct movies, whatever to change the way Hollywood treats older women, I'll do it. If I have to bend the rules, I will. If I have to break them, I will.

~Naomi Watts

Liev cares about a lot things. Israel is one of them. We had the good fortune of going there a couple of years ago. To share that experience with him was a great pleasure.

~Naomi Watts

I don't think of myself as a terribly confident person. But I have a survival mechanism that was instilled in me by my mother.

~Naomi Watts

I felt I grew up when I was about 28. I feel pretty much the same. I get reminded when I look in mirrors that I am not. Hopefully, you keep growing and keep planning things as you go along.

~Naomi Watts

You won't find me in a romantic comedy. Those movies don't speak to me. People don't come to talk to me about those scripts, because they probably think I'm this dark, twisted, miserable person.

~Naomi Watts

What you want, as an actor, is a great leader. I can't bear it when I work with a director who is wishy-washy and says, "What did you think?"

~Naomi Watts

Hotels are temporary people storage, no matter how big the boxes are. Remember that.

~Naomi Watts

I love being outside with trees and water, lying down somewhere or walking. I do transcendental meditation, which keeps me calm and steady.

~Naomi Watts

I find myself gravitating towards drama. It interests me. In the books I read, the paintings I like, it's always the darker stuff.

~Naomi Watts

I have a bit of a frustrated dancer in me.

~Naomi Watts

My mum put me in drama classes when I was about 14. I'd been going on about it for some time, so maybe it was a way to shut me up.

~Naomi Watts

Some movies are the kind you take home with you at the end of the day, and some, you can let go.

~Naomi Watts

Noah Baumbach writing is really wonderful. I think the way he plays out each character with a unique voice is really impressive, and rhythmically his dialogue works.

~Naomi Watts

When I had dark hair I definitely felt that I was more anonymous.

~Naomi Watts

I want collaboration, but if they don't have a plan or their vision isn't clear, it's nerve-racking. So, someone that's very sure of the vision is what you want, most of all.

~Naomi Watts

I think in my 20s I was just all about having fun.

~Naomi Watts

I was never completely destitute. I think I borrowed money once off a friend, but I've always been quite careful with my money, having come from not much of it.

~Naomi Watts

It'll take me a lot longer to read a script if there's no director attached.

~Naomi Watts

I think every time you take on a new role, you're trying to help find that voice and you add your own bits and pieces along the way but with Noah [Baumbach] it's already done.

~Naomi Watts

Female roles in comedies are usually quite silly, I think.

~Naomi Watts

It seems like a lot when you have three movies back to back but that's not really how it is.

~Naomi Watts

I like complicated women. I like women with strength and contradictions.

~Naomi Watts

My spirit had been broken a bit over the years by my having to work on films I didn't love. Hollywood's a surreal place, and it really is an assault on your spirit.

~Naomi Watts

I consider myself British and have very happy memories of the UK. I spent the first 14 years of my life in England and never wanted to leave.

When I was in Australia I went back to England a lot.

~Naomi Watts

I'm a tomboy now. I always wanted to fit in with my brother's group, so I climbed trees and played with lead soldiers. But I'm a woman's woman. I never understood women who don't have woman friends.

~Naomi Watts

Directors are our teachers, and I'm always craving to work with a great director. They're pretty much the first thing that interests me about a project.

~Naomi Watts

I think when a man sees a woman who knows what she wants it can be scary, but it can also be tempting.

~Naomi Watts

You're always nervous about how a film lands with an audience.

~Naomi Watts

I think whether you've got children or not you're just more aware of others as you get out of your 20s.

~Naomi Watts

I love the energy and the knowledge. I barely know how to use this thing [mobile phone]. I get by.

~Naomi Watts

I think I have better taste now than I did then.

~Naomi Watts

I feel like personally I have more drive now than I did then probably because I care more and also because I've reached the mid-life point.

~Naomi Watts

I think film is a director's medium and the good filmmakers that I like tell the darker stories. Therefore, I'm always inclined to follow people like David Cronenberg.
