

Narendra Modi Quotes

*India, People, Country, Motivation, Powerful, Government, Technology, Dream,
Empowerment, Education, Democracy, Giving, Thinking, Moving, Believe,
Development, Years, Digital India, Needs, Children*

Cleanliness & good sanitation in schools is a matter of high importance.

~Narendra Modi

Secularism is not only in our constitution but also in our veins. We worship Mother Nature too. We believe that the world is our family.

~Narendra Modi

It is not that the people want a BJP government or Modi as PM. The Nation wants to teach a lesson to those who have ruined the nation.

~Narendra Modi

Mind is never a problem. Mindset is

~Narendra Modi

Secularism is a term interpreted in many different ways by different people. For me, it has always been something very simple - putting India First

~Narendra Modi

We shall together open the doors of good politics and will work without indulging in political untouchability.

~Narendra Modi

Religion and faith are very personal matters. So far as the government is concerned, there is only one holy book, which is the Constitution of India.

~Narendra Modi

BJP is not going to the people only to form a government. We have come to the people to give stability and a development oriented government.

~Narendra Modi

Unity in diversity is India's strength. There is simplicity in every Indian. There is unity in every corner of India. This is our strength.

~Narendra Modi

For the poor, for those who want to serve, the only place left for such people is BJP. When someone joins the BJP family, it is not only about membership, we strengthen relationships.

~Narendra Modi

Sanitation should not be seen as a political tool, but should only be connected to patriotism (rashtrabhakti) and commitment to public health.

~Narendra Modi

By getting an opportunity to serve society, we get a chance to repay our debt.

~Narendra Modi

Don't dream to be something but rather dream to do something great.

~Narendra Modi

Each one of us has both; good and evil virtues. Those who decide to focus on the good ones succeed in life.

~Narendra Modi

My definition of secularism is very clear. The sole religion of the Government is Nation First, the holy book is the Constitution.

~Narendra Modi

I haven't done anything wrong that I need to make up for. I am what I am in front of the world.

~Narendra Modi

Cleaning up the country cannot be the sole responsibility of sweepers.

Do citizens have no role in this? We have to change this mindset.

~Narendra Modi

Gujarat, with its all inclusive, sustainable and rapid growth, is emerging as a globally preferred place to live in and to do business.

~Narendra Modi

India has seen a dream of Digital India. From latest science to latest technology, everything should be available at the tip of one's finger.

~Narendra Modi

In this land of the Ganga (Varanasi), there was education of culture. But, more importantly, there was a culture of education.

~Narendra Modi

I will make such a wonderful India that all Americans will stand in line to get a visa for India

~Narendra Modi

The BJP is an optimistic party. Our strength and our democratic values are such that even a poor person from a backward section - like me - has been nominated as a Prime Ministerial candidate.

~Narendra Modi

Religion to me is devotion to work and devotedly working is being religious.

~Narendra Modi

I dream of a Digital India where high-speed Digital Highways unite the Nation.

~Narendra Modi

People of Bihar are the most intelligent people on earth.

~Narendra Modi

I dream of a Digital India where knowledge is strength - and empowers the People.

~Narendra Modi

If you are determined nothing can stop you from determining your dreams.

~Narendra Modi

Transparency is the key to good governance & e-governance is the only effective way of transparent governance.

~Narendra Modi

Once we decide we have to do something, we can go miles ahead.

~Narendra Modi

I too belong to an OBC caste but I have never used my community to get power

~Narendra Modi

If you love someone, set them free. If they come back, he's probably LK Advani

~Narendra Modi

The coming decade belongs to the right of the poor and the marginalised. The BJP is very clear on that.

~Narendra Modi

BRICS must provide a united and clear voice in shaping a peaceful, balanced and stable world. We must harness each other's strengths, in knowledge, skills and resources.

~Narendra Modi

The more we give importance to skill development, the more competent will be our youth.

~Narendra Modi

Our quest for a Digital India is all encompassing. It is going to touch your lives in several ways, making it easier.

~Narendra Modi

I dream of a Digital India where mobile and e-Banking ensures Financial Inclusion.

~Narendra Modi

The world used to think we are a land of snake charmers and black magic. But our youth has surprised the world with its IT [information technology] skills. I dream of a digital India.

~Narendra Modi

Railway stations can become growth points for the nearby villages.

~Narendra Modi

Digital India' is not an elite concept anymore. We have to use this idea to revolutionize health and education in India.

~Narendra Modi

Hung verdict would have meant anger against previous govt; Clear verdict to BJP shows people voted for hope and aspiration.

~Narendra Modi

We need to give importance to skill development because this way we can end unemployment.

~Narendra Modi

There can be no better place than India to manufacture, expand, and grow.

~Narendra Modi

Celebrate the birth of a girl child by planting 5 trees in your village.

~Narendra Modi

I dream of a Digital India where cyber security becomes an integral part of our National Security.

~Narendra Modi

Secularism for the Congress is merely a slogan while for the BJP it is an article of faith. Secularism is about votebank politics for the Congress, while it is about 'India first' for the BJP.

~Narendra Modi

Mahatma Gandhi never compromised on cleanliness. He gave us freedom. We should give him a clean India.

~Narendra Modi

I dream of a Digital India where technology ensures the Citizen-Government interface is incorruptible.

~Narendra Modi

Hard work never brings fatigue. It brings satisfaction

~Narendra Modi

It is our dream that by the time we celebrate the 75th year of independent India, all the slums are replaced by cemented houses.

~Narendra Modi

I dream of a Digital India where Government services are easily and efficiently available to citizens on Mobile devices.

~Narendra Modi

Good governance needs self-discipline. Only discipline within can ensure discipline without.

~Narendra Modi

Dignity of labour has to be our national duty; it has to be a part of our nature.

~Narendra Modi

I am proud to be from an ideology. Our ideology is that the Nation is bigger than party. We will live and die for the nation. Our ideology is not about aspiring for posts, it's based of sacrifice.

~Narendra Modi

BJP is committed to transform the agriculture sector. We want to increase farmer income and the purchasing power of villages.

~Narendra Modi

Gujarat is all about Trade with Tradition, Commerce with Culture, Enterprise with Entertainment and Development with Disaster management.

~Narendra Modi

I dream of a Digital India where farmers are empowered with real-time information to be connected with Global Markets.

~Narendra Modi

The wealth that increases by giving, That wealth is knowledge and is supreme of all possessions.

~Narendra Modi

Good governance depends on ability to take responsibility by both administration as well as people.

~Narendra Modi

I dream of a Digital India where mobile enabled emergency services ensure Personal Security.

~Narendra Modi

India is developing because of 125 crore strong Team India. We have to end the curse of casteism, communalism with the sweetness of development.

~Narendra Modi

Bharat for Bhutan and Bhutan for Bharat. The colour of our passports may be different but our thinking is the same. India stands committed to Bhutan's happiness and progress.

~Narendra Modi

We belong to a tradition where we treat the entire universe as our family. For me, globalisation is the manifestation of nationalisation. There is no contradiction between the two.

~Narendra Modi

I believe that India is such a big country that one must do as much work as possible. So I keep doing that.

~Narendra Modi

India will be successful when UP, Bihar, West Bengal, Assam and other parts of North East India are strengthened. India cannot develop till the eastern part of the country develops.

~Narendra Modi

After the hockey stick, Sardara Singh scores with the broom! A great effort by him towards a Swachh Bharat.

~Narendra Modi

I dream of a Digital India where e-Commerce drives Entrepreneurship.

~Narendra Modi

Economic development cannot take a nation forward on its own. We need a society and economy which complement each other. We need to take care of the poor, deprived and left behind sections of society.

~Narendra Modi

I dream of a Digital India where quality education reaches the most inaccessible corners driven by Digital Learning.

~Narendra Modi

Skill development remains our priority. We are blessed with a demographic dividend that can take us to great heights.

~Narendra Modi

I think toilets are more important than temples.

~Narendra Modi

Atal Bihari Vajpayee ji gave the mantra- Insaniyat, Jamhooriyat, Kashmiriyat. He based Jammu and Kashmir's development on this, and we need to take it ahead.

~Narendra Modi

People say I am lucky. I am lucky indeed because what can be better luck than to have the blessings of 125 crore Indians.

~Narendra Modi

World talks GDP but in Bhutan its about National Happiness. Am sure having India as a neighbour would be 1 of the reasons for the happiness.

~Narendra Modi

I dream of a Digital India where the world looks to India for the next Big Idea.

~Narendra Modi

We heard of White & Green Revolution but now we need a Blue Revolution & harness the potential in fisheries sector.

~Narendra Modi

These elections won't be about the manifesto of parties, but about manifesto of the people and their dreams who want peace and prosperity.

~Narendra Modi

I dream of a Digital India where 1.2 billion Connected Indians drive Innovation.

~Narendra Modi

If you read the biography of any great man, you will always notice two things: His mother's contribution in his progress and his teacher's contribution in his growth and development.

~Narendra Modi

Technology has a critical role in realizing the vision of a Digital India - the power of 125 crore connected Indians.

~Narendra Modi

I brought Bhagawad Gita as a gift for the Japanese PM...I don't have anything better than Gita to give & nor does the World has anything better to receive.

~Narendra Modi

BRICS should be driven by 'People to People' contact. It should explore developing innovative mechanisms of Youth engagement.

~Narendra Modi

Mere good governance is not enough; it has to be pro-people and pro-active. Good governance is putting people at the center of development process.

~Narendra Modi

People's participation is the essence of good governance.

~Narendra Modi

It is important how we view the youth of our nation. To simply consider them as new age voters will be a big mistake. They are the new age power.

~Narendra Modi

Our identity in the world must change from Scam India to Skill India.

~Narendra Modi

Social media changed my thought process and connected me to the rest of the world. And as I started connecting, the world started accepting me as I was. Nothing could be more satisfying.

~Narendra Modi

'Brand India' is built of 5 Ts - talent, tradition, tourism, trade and technology.

~Narendra Modi

I challenge the challenges. I like to face the problems. I don't run away from them. Whatever loss I have to face it, I face it.

~Narendra Modi

I did not get an opportunity to die for the country, but I have got an opportunity to live for the country.

~Narendra Modi

With the gun you can make the earth red but if you have a plough you can make the earth green.

~Narendra Modi

Design in India is as important as Make in India.

~Narendra Modi

We have now reached a level where we should be even more ambitious. We should focus on more tangible mechanisms and

outcomes. Make BRICS a platform of Impact.

~Narendra Modi

Good governance is not fire-fighting or crisis-management. Instead of opting for ad-hoc solutions the need of the hour is to tackle the root cause of the problems.

~Narendra Modi

Technology enables last mile delivery. Blending it with the will and determination to deliver, Gujarat has experienced the true power of e-governance.

~Narendra Modi

I don't carry the burden of the past or the madness of the future. I live in the present.

~Narendra Modi

Seven years is a short time in the history of a country's democracy. But in this short time, people of Bhutan have developed faith in the institutions of democracy.

~Narendra Modi

It takes Rs. 10 per kms in Ahmedabad by auto- rickshaw, but it took us only Rs. 7 per kms to reach Mars.

~Narendra Modi

Power is not just for TV sets and charging mobile phones. This electricity is critical to the industrial development of this area. If there is electricity, small scale industry will grow.

~Narendra Modi

Information can perhaps be useful as a support-stick and help you cross the way... but if you want to find your way in the darkness, only knowledge can forge that path for you... only knowledge.

~Narendra Modi

Make in India' is a LION's step! This initiative on one hand, will increase manufacturing growth, and at the same time, will directly benefit the youth of the nation in the form of employment.

~Narendra Modi
