I usually head up to the mountains or out into the desert. Somewhere nobody is. There I can dig deep and find the core that got me where I am today. It's sort of like my reset button.

~Nathan Parsons

I've always been drawn to stories and characters facing some sort of struggle against forces beyond our control, be it love, loss, betrayal.

~Nathan Parsons

I'm pretty cerebral, so I can occasionally rationalize emotional pain away, but when I can't, that's when I start to feel the fire inside take over and somehow manage to power through.

~Nathan Parsons

Although it may seem like it, life will never give you more than you can handle. That doesn't mean it's going to be easy; in fact, quite the opposite.

~Nathan Parsons

Life is going to test you. But no matter how bad it may seem, we can always step up and beat it.

~Nathan Parsons

Have faith in yourself.

~Nathan Parsons

Whether you're a vampire or werewolf, love is still love. Betrayal is still betrayal.

~Nathan Parsons

I'm not afraid of scars, be them emotional or otherwise. I think it builds character, and if it doesn't destroy you, I truly believe it makes us stronger.

~Nathan Parsons

It doesn't matter what it is, it doesn't matter if you have training or a background in it. Just create something, and lend a piece of yourself to that art.

~Nathan Parsons

Be brave enough to create.

~Nathan Parsons

It's much easier to put yourself out there under the guise of a character. You get a different name, different habits, different words. When I have to just be Nathan, that's when I feel vulnerable.

~Nathan Parsons

The human condition itself inspires me.

~Nathan Parsons

Anything that forces the human soul to scream out and fight really brings out the best in us, and to have an opportunity to portray characters like that is inspiring.

~Nathan Parsons

Simply being myself makes me feel vulnerable.

~Nathan Parsons

When things get too chaotic, I need to roam.

~Nathan Parsons

My center is the soul of a gypsy.

~Nathan Parsons

As a kid, I was obsessed with myths and legends and the haunting beauty of gothic stories.
