I deal with emotional pain through therapy, writing, therapy in music. I think emotional pain is best dealt with when you use art to express it.

~Naturi Naughton

I definitely feel like, as a singer, I've been able to transition into acting because I always saw them in the same vein. It's all about connecting and telling a story.

~Naturi Naughton

Singing is my passion and something that I still love to do and I'm always going to want to do it.

~Naturi Naughton

I feel the most vulnerable when I'm in love.

~Naturi Naughton

I want to do stories that inspire people.

~Naturi Naughton

You have to think like a businessman or a businesswoman, and I can't wait to continue to grow, as an actress, but to also continue to grow as a brand and show people that I have so much more to offer.

~Naturi Naughton

One thing I'm passionate about is directing. I've always wanted to direct.

~Naturi Naughton

I want to be back on Broadway one day. That's a dream of mine. There's nothing like live theater, and I think it's so important for me to be able to be on stage with an audience that responds.

~Naturi Naughton

I feel the most vulnerable when I'm in love. When my heart is open, and when life is making me feel like I have to open up myself completely. Love has a tendency to do that.
