I feel like showering more than once a day or every day is such a white people thing.

~Naya Rivera

There are always going to be things you don't like about yourself or reasons to compare yourself to others, but once you realize that you only get one you, it's best to just love yourself.

~Naya Rivera

You only get one you, it's best to just love yourself.

~Naya Rivera

Me and my cheeseburgers are insane.

~Naya Rivera

Music is one of my greatest loves. I don't think I would be able to live without music in my life.

~Naya Rivera

Be kind to people, do the best that you can do and don't compromise yourself for anyone else and you'll end up being the best person, trust me.

~Naya Rivera

If you think back to your first love, you always remember them and little things always remind you of them.

~Naya Rivera

There are very few ethnic LGBT characters on television, so I am honored to represent them. I love supporting this cause, but it's a big responsibility, and sometimes it's a lot of pressure on me.

~Naya Rivera

Getting hit on by both genders is such a champagne problem.

~Naya Rivera

We've all been hurt by words before. So before you speak, think about how your words might affect someone else.

~Naya Rivera

It's kind of coolâ€”and it makes me feel like a badass. I get more girls than my boyfriend. They always tweet me about my booty.

~Naya Rivera

I will admit to hoarding beauty products. I'm a beauty lady.

~Naya Rivera

I watch *Pretty Little Liars* with my best friend Telly. We go to each other's houses when it airs and we watch it.

~Naya Rivera

I definitely knew that I loved acting from the very beginning. I was such a ham growing up. Wherever the camera was, I wanted to be right in front of it.
