When it blows here, even the seagulls walk.

~Nick Faldo

John certainly gives it a good hit, doesn't he? My Sunday best is a Wednesday afternoon compared to him.

~Nick Faldo

We were happily married for eight months. Unfortunately, we were married for four and a half years.

~Nick Faldo

Golf is not about the quality of your good shots, it is about the quality of your bad shots.

~Nick Faldo

Tempo is the glue that sticks all elements of the golf swing together.

~Nick Faldo

The course is perfection and it asks perfection.

~Nick Faldo

My game is like a cross between karaoke and rap: crap.

~Nick Faldo

The word is control. That's my ultimate - to have control.

~Nick Faldo

I never mixed with golfers when I was playing, mainly because I didn't want to talk golf all night.

~Nick Faldo

I was a little stunned that we didn't get a coloring book with this menu.

~Nick Faldo

He hits it long. His shoulders are impressively quick through the ball. That's where he's getting his power from. He's young and has great elasticity.

~Nick Faldo

It's not a British attitude to dedicate yourself to such an extent as he [Wilkinson] does... He is such a dedicated so-and-so who only thinks about booting it over the posts

~Nick Faldo

If you want to play better, you have to eat better, you have to look out for yourself.

~Nick Faldo

If anything, more kids that want to get good at golf will get fine-tuned. It's factual. It's science, how to build a golfer. I think that's huge.

~Nick Faldo

You've got a fairly good idea as to what the questions are going to be. But how to record the best answer is another matter.

~Nick Faldo

That's the most important thing for me in TV, telling the story to as many people as we can.

~Nick Faldo

You have to get lucky. Whether that's a good captain's pick, or two rookies combining for five points, if you get that, those are points you really aren't expecting.

~Nick Faldo

One thing America hasn't had is good partnership.

~Nick Faldo

My time with my family is a priority.
