I really try to be aware of the purpose of each song. There are songs on my record that I want people to have sex to, and songs people can listen to when they're pissed off.

~Nick Jonas

Dreams are reality waiting to happen

~Nick Jonas

Life happens. Adapt. Embrace change, and make the most of everything that comes your way.

~Nick Jonas

Don't let the world around you defeat the belief within you.

~Nick Jonas

Stop hoping, start believing.

~Nick Jonas

I know that each and everyone of you have felt, at one point, like you couldn't go on. But then you found hope. There's always a way to find hope. Remember that.

~Nick Jonas

Live like you're at the bottom, even if you're at the top

~Nick Jonas

There's always some way to find hope. Remember that.

~Nick Jonas

It doesn't matter if the world is pulling you down. With Christ you have everything.

~Nick Jonas

I thought the popular kids were the cool kids. I got caught up in that,

and it was bogus. School is about finding who you are because that's more important than not being yourself.

~Nick Jonas

I think you are the best you can be when you feel free, when you feel open. So I think keeping that mentality, keeping positive, is key.

~Nick Jonas

I want someone to love me, for who I am; I want someone to need me, is that so bad?

~Nick Jonas

High school is about finding who you are, because that's more important than trying to be someone else.

~Nick Jonas

Being you is the only thing worth spotlighting.

~Nick Jonas

My thoughts on gay marriage are that everyone has the right to love and be loved, and that's the position I take.

~Nick Jonas
