We live in a bizarre world - there are cameras in our house!

~Nick Lachey

There's a lot of reflection that goes on whenever I write a song - it's been a wild whirlwind last couple of years and there's a lot to talk about, and hopefully that's evident in the music.

I tell people, Don't take my advice. What do I know?

~Nick Lachey

Throw in the towel right off the bat. Women argue in ways that aren't rational to men.

~Nick Lachey

We can't control it, and we've basically quit trying. People are going to talk, and people are going to lie.

~Nick Lachey

As long as there are teenage girls, there will be boy bands. It's a question of how long it takes them to get their music together to come out.
