I find intelligence sexy. I find a sense of humor sexy. I find sensitivity sexy.

~Nicole Appleton

Any room where you feel a good vibe is a good place to write.

~Nicole Appleton

We've going to bring back thighs. Enough of these size zeros. Thighs, and back fat, and over-the-belt fat, it's all got to come back again, and we're the ones to do it.

~Nicole Appleton

Giving birth was easier than having a tattoo.

~Nicole Appleton

It's my first presenting role so I'll be nervous, but it's going to be great fun. I can't wait to sample the food and meet the celebrities. Hopefully I can inject some of my own glamour.

~Nicole Appleton

I'll get pretty much everything the way I want it. I've always dreamed of a beach wedding.

~Nicole Appleton

For me being the youngest, there was never ever anything that was an issue to cause rivalry between me and my sisters.

~Nicole Appleton

I hate that word 'hate' - it should be banned.

~Nicole Appleton

My nickname is The Fonz. My sister Lori nicknamed me it when I was younger and it stuck.

~Nicole Appleton

Marriage is important to me and I love the idea of being married.

~Nicole Appleton

I went out with Robbie Williams and Liam Gallagher. I was accused of going out with many different people but that wasn't my fault.

~Nicole Appleton

I never want to discourage anyone who chooses the arts as a path because it's hard enough to make it in this business or even get ahead.

~Nicole Appleton

I wasn't born thin. I train. But I would never starve myself. I mean, what is happening with women these days? I just couldn't see myself looking that thin. I like a bit of waist and leg.

~Nicole Appleton

Being a mum has made me a lot more responsible, it's not just me anymore. But it's also brought me the most joy ever!

~Nicole Appleton

I befriend people too quickly - I don't think that's wrong, but I get told that I should be a bit more careful.

~Nicole Appleton

Im in the public eye. I know Im not going to be treated like a normal person walking down the street.
