Filming is a funny combination of having a good time and not being able to wait until its over.

~Nicole Holofcener

What's the trick to writing a great female character? Make her human.

~Nicole Holofcener

I'd rather go for Scorsese and De Niro. I just think he was so much better.

~Nicole Holofcener

My grandma has said many of the things her character says. But she was much nicer! I made her meaner for dramatic purposes.

~Nicole Holofcener

I definitely feel like a native New Yorker. My personality was formed there.

~Nicole Holofcener

I would still encourage somebody, if they wanted to make a movie, to just go take a movie camera. That's clearly been shown to work. It's just how do you get it seen?

~Nicole Holofcener

I always had good friends, but I did not feel like a cool girl, ever.

~Nicole Holofcener

Catherine Keener really gets me. She and I have such a shorthand together.

~Nicole Holofcener

Hollywood always likes to create a star.

~Nicole Holofcener

The stories that I want to tell are completely, well somewhat autobiographical. It's completely based on my own self-absorption issues and problems.
