I love the feel of good quality Italian black lace that feels delicate and really feminine.

~Nicole Trunfio

I will pursue my passion of cooking every day until my hands fall off and I lose all sense of smell and taste.

~Nicole Trunfio

My mentors in life are much older than me and have been through life. They can actually give me some sound advice on what I'm going through.

~Nicole Trunfio

Because I come from such a close family, my natural instinct is to marry and have kids as soon as possible.

~Nicole Trunfio

There is nothing more powerful and beautiful than motherhood.

~Nicole Trunfio

Skin is really important; after all, it's my business.

~Nicole Trunfio

My weight is something that people seem to talk about a lot.

~Nicole Trunfio

I truly love Australia; I miss Aussie kids and their attitude!

~Nicole Trunfio

I haven't looked to my peers for advice because we're all going through the same thing. How do you ask your friends for advice when they're going through the exact same thing?

~Nicole Trunfio

I try to go to the gym three to four times a week and mix it up with yoga or a personal trainer.

~Nicole Trunfio

I could definitely see myself living back in Australia again. If I had a family, I could move back.

~Nicole Trunfio

I like pieces that are cool and simple. I try to wear really cute things, but they just don't suit me at all.

~Nicole Trunfio

I love not having a daily routine, just having the things I need with me and going anywhere in the world.

~Nicole Trunfio

I have such a passion for theatre.

~Nicole Trunfio

I look up to people that are much older than me, so being a mentor is a full time job.

~Nicole Trunfio

Occasionally I will audition for a big overseas movie, but that's it.
