We already have a sabbatical system. It's called opposition, and I've had enough of it.

~Nigel Lawson

Not only is the Kyoto approach to global warming wrong-headed, the climate change establishment's suppression of dissent and criticism is little short of a scandal. The IPCC should be shut down.

~Nigel Lawson

It is quite clear that history will record that Margaret Thatcher was the greatest Prime Minister this country has had since Churchill.

~Nigel Lawson

The spread of personal ownership is in harmony with the deepest instincts of the British people. Few changes have done more to create one nation.

~Nigel Lawson

There has always been, and there always will be, an economic cycle.

~Nigel Lawson

Nothing could be further from the truth than the claim that we have a choice between cutting tax and cutting unemployment, for the two go hand in hand.

~Nigel Lawson

To govern is to choose. To appear to be unable to choose is to appear to be unable to govern.

~Nigel Lawson

I think that the ordinary bloke has an instinctive sense that it wouldn't be too bad if the weather warmed up.

~Nigel Lawson
