I encourage people to find and use the power of their voices just as much when I do not agree with those voices as when I do agree with them.

~Nikki Haley

As I said, my parents loved that when they came to America, if you worked hard, the only things that could stop you were the limits you placed on yourself.

~Nikki Haley

I wear heels. It's not for a fashion statement, it's... ammunition.

~Nikki Haley

Human rights is a big important part of how to prevent conflict in the first place if we focus on how the governments are treating their people.

~Nikki Haley

Do things that are uncomfortable to do. I say that because women tend to step back from things that they don't know about. And the second, most important, one is, push through the fear.

~Nikki Haley

Almost forty-five years after my parents first became Americans, I stand before you and them tonight as the proud governor of the state of South Carolina.

~Nikki Haley

We don't have unions in South Carolina because we don't need unions in South Carolina.

~Nikki Haley

People ask the question, 'If you're offered VP, would you take it?' No, I won't take it.

~Nikki Haley

My job is to create jobs. In the end I'm going to have jobs to show for it.

~Nikki Haley

The public likes to think that women only care about contraception. Contraception doesn't define a woman. That's - doesn't define our views. We're so much smarter and broader than that.

~Nikki Haley

I'm a huge fan of women; I think we're great.

~Nikki Haley

Ann Romney makes all women proud by the way she has conducted her life as a strong woman of faith, as a mother, as a wife and as a true patriot.

~Nikki Haley

The people of South Carolina support conservatives who are trying to push real change, and the people of South Carolina expect their presidential candidates to back them up when they show courage.

~Nikki Haley

Everyone can have a bad day.

~Nikki Haley

I don't think we should focus on what church that person walks into .. I think we need to focus on what they do when they walk out of church.

~Nikki Haley

I'm not going to stop beating up on the unions.

~Nikki Haley

I'm very proud of the way that I was raised, I'm very proud of the way

that my parents raised me.

~Nikki Haley

The public likes to think that women only care about contraception.

~Nikki Haley

Protests are fine. But in South Carolina we believe in the rule of law, and the people of this state should never doubt that as governor, I will enforce it.

~Nikki Haley

Boeing started a new line for their 787 Dreamliner, creating 1,000 new jobs in South Carolina, giving our state a shot in the arm when we truly needed it.

~Nikki Haley

American businesses deserve a federal government that doesn't stand in their way, not one that tries to chase them overseas.

~Nikki Haley

I think that, you know, Russia is full of themselves. They've always been full of themselves. But that's - it's more of a facade that they try and show as opposed to anything else.

~Nikki Haley

All of my policy is not based on a label. It's based on what I lived and what I know.

~Nikki Haley

The president Donald Trump understands, we have to get unity across the world. We really have to make sure that we're doing everything we can to unify everyone against ISIS.

~Nikki Haley

For a bill to become law, it truly has to be the will of the people, and for a president to stop the will of the people and stop what you're trying to do in your state is not the role of Washington.

~Nikki Haley

Unfortunately, these past few years, you can work hard, try to be as successful as possible, follow the rules, and President Barack Obama will do everything he can to stand in your way.

~Nikki Haley

You don't go to the people that are just like you. You go to the people that you have to earn their credit.

~Nikki Haley

I think any label is bad... I'm more than a label.

~Nikki Haley

The reason people are uncomfortable is because Donald Trump acts. He doesn't talk with a bunch of people about it before, he just acts.

~Nikki Haley

I don't feel like President Trump doesn't listen to me on Russia. If he had a problem with what I'm saying, he would say something. And he hasn't.

~Nikki Haley

What Donald Trump is trying to do is find his own team, figure out how he's going to do it. But we have to remember, he can hire and fire anybody else that he wants to do.

~Nikki Haley

I think what you can see is this is a president of action. I mean Donald Trump is not one that's going to sit there and talk for too long. If he thinks someone is wrong, he's going to deal with it.

~Nikki Haley
