Young people need to vote. They need to get out there. Every vote counts. Educate yourself too. Don't just vote. Know what you're voting for, and stand by that.

~Nikki Reed

Junior high is so much worse than high school because at least in high school different is more accepted, celebrated actually: all the girls with blue hair and gothic Hello Kitty backpacks.

~Nikki Reed

Some of the greatest moments in life come from moments that are incomplete.

~Nikki Reed

Follow your heart and don't question it, no matter where it tells you to go. It will open up a world of experiences you can't even imagine.

~Nikki Reed

People send everyone hate mail. That's the way the world works right now, I'm nothing special.

~Nikki Reed

Animals don't have a voice, so I think it is our job to give them one.

~Nikki Reed

I have always been a very passionate person. Some people are born with this fire burning inside to "do," or create, with an insatiable hunger for knowledge and experience, and I am no exception.

~Nikki Reed

I have nobody. I have surrounded myself with people who are fake just because I need to talk to somebody.

~Nikki Reed

I think the best way to invite people into the conversation is to just create something beautiful out of love, and people naturally gravitate towards a new way of looking at fashion.

~Nikki Reed

I've always loved music and felt connected to it, but was too afraid to explore that avenue.

~Nikki Reed

Part of being young is making mistakes.

~Nikki Reed

With girls, friendships are hard because you have to learn to get to a maturity level to love them but not want to be them.

~Nikki Reed

At the end of the day, that's our sole purpose and our sole reason for existing, is to love somebody else.

~Nikki Reed

Tina Fey could run this country before Sarah Palin could!

~Nikki Reed

We have such an amazing future ahead of us.

~Nikki Reed

What we do to animals, we do to ourselves.

~Nikki Reed

Reusing and recycling our materials is the most important thing we can do.

~Nikki Reed

We live in a world where sort of nothing is shocking anymore.

~Nikki Reed

I think we are all overcoming tiny obstacles every second of every day even if that means just a small shift in perspective.

~Nikki Reed

I've done a lot of independent travelling, which hasn't been the best career choice, but it's been a really great life choice.

~Nikki Reed

Once I realized that the only thing I can actually control in this life is my own mind, how I choose to react, feel, and perceive, I felt immediately liberated.

~Nikki Reed

If I ever find myself overwhelmed, it's only because I am overwhelmed by how much more I want to learn. That is what drives me.

~Nikki Reed

I think the greatest lesson I have just recently learned is how powerful the mind is, informing our decision making unknowingly.

~Nikki Reed

I think it's time we take a step back and recognize that while we are hurting our animals, we are hurting each other, and we are hurting our planet.

~Nikki Reed

I think we learn some of the greatest lessons in life from animals, whether it's love, suffering, or the value of silence.

~Nikki Reed

My little brother is autistic, so I would love to be involved in a charity for autism, but I haven't found the right one yet.

~Nikki Reed

Drama sells more than the truth.

~Nikki Reed

The frenzy of the little-girl culture is something very unique, and I can only say that because I was one. The obsession - I can't really explain it. Everything is heightened to the maximum.

~Nikki Reed

Before 'Twilight,' occasionally I would get the 'Hey are you that girl from that movie?' but no one knew my first and last name. The fans of the saga are amazing, and it's very flattering.

~Nikki Reed

Having people wait outside of my house sort of gives me a panic attack. I'm a believer in the concept that people should not be followed and photographed everywhere.

~Nikki Reed

My love for animals started before I can remember.

~Nikki Reed

The degradation of our environment is undeniably a direct result of our lack of regard, lack of accountability, and lack of responsibility.

~Nikki Reed

What we do to animals directly impacts everything, because we are all connected. It disrupts the food chain, it funds terrorism (ivory), it changes our climate, our oceans, it starts wars.

~Nikki Reed

I have friends come over and we read plays out loud and I make paintings and I just do things all the time just so I don't ever feel like I'm

sitting around.

~Nikki Reed

I just wrapped 'Eclipse' yesterday and the last scene we shot is probably my favorite thus far. I finally got to tell my story, in a very gentle yet elaborate way.

~Nikki Reed

I learned how to change a cloth diaper on a raccoon, i was maybe 8 or 9.

~Nikki Reed

I don't want any special powers. I'm powerless. I wouldn't want to see into the future, I wouldn't want to know what anyone was thinking, ever! And I don't want to relive my past.

~Nikki Reed

I enjoy feeling physically strong, so maybe I'd like to be able to lift a building and launch it at someone.

~Nikki Reed

Jackson [Rathbone] is the most artsy, creative and, I think, the most talented.

~Nikki Reed

Jackson plays a broken guitar because he's in love with it, and doesn't want to fix it, I think. It's so broken.
